The Right Honourable the Lords of the Committee of the Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a French Imperial Decree, dated the 14th instant (a translation of which is hereunto subjoined), by which Chinese Crape Shawls, of Foreign Manufacture, imported into France for the purpose of being embroidered, and subsequently re-exported, are, under certain conditions, to be temporarily admitted into France free of duty.

(Translation.)

PLAIN China crape shawls (*Unis*) of Foreign origin, intended to be embroidered in France, may be temporarily admitted free of duty, on condition of being re-exported within six months, under the bonds and formalities prescribed by the 5th Art. of the Law of 5th July 1836, and upon the particular conditions hereinafter indicated.

2. The shawls shall be declared to the Customs, under legal penalty, by number, dimensions, and net weight. Every Declaration shall comprehend the number of shawls which it is intended to include in each transaction.

3. The Customs will place on each shawl a flying seal in wax, the expenses of which shall be

reimbursed by those interested, at the rate of 10 centimes per seal.

4. They can also be withdrawn from the entrepôts of Paris and Lyons, where they may have arrived by way of transit. The re-exportation must take place through the same ports and Custom-houses.

5. Every substitution, deficiency, or subtraction, proved by the Customs authorities, will involve the application of the penalties and interdictions prescribed by Article 5 of the Law of 5th July 1836.

(Translation.)

The Supreme Board of Health, in their ordinary sitting of the 29th of November last, have resolved—

That henceforth vessels coming from the City of Dundee should be subjected to a quarantine of ten days for passengers and goods, if no sickness has broken out during the voyage, the quarantine and purification of the goods to take place in a lazaretto of the first class, and should be refused pratique if any sickness has broken out during the voyage; the quarantine of ten days for passengers alone, with the purification of their effects on board the vessel, for ships coming from the other ports of the United Kingdom of Great Britain remaining in force as before.

The Supreme Board of Health, in their ordinary sitting of the 2d instant, have resolved—

1st. That henceforward vessels coming from France, from Algeria, as well as from Corsica and other French Islands, shall be subjected to a quarantine of ten days for the passengers alone, their effects being aired on board the vessel, and any letters which the said vessels may carry shall be fumigated.

2d. That passengers who arrive by land, as well as by sea, from places where no sickness prevails, but who originally proceeded from France, should prove that they have been ten days in a place where the public health is good.

3d. That all vessels coming from French ports, carrying susceptible goods, must bring a certificate from the Royal Consul, testifying that the said goods do not come from Paris; in default of which, they are to be subjected to the same process of purification required for goods coming from infected places.

4th. That orders should be sent through the regular channels to all the diplomatic and consular agents in the Italian States, not to sign passports, or to deliver new ones to those persons who come from France, unless they have remained ten days in a place where the public health is good.
