The Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, the translation of a Proclamation (a copy of which is subjoined) issued by the Swedish Royal Administration of Marine, relative to the Exhibition of a Light on the new lighthouse at Winga Skeir, on the west coast of Sweden.

(Copy.)

(Translation.)

The Royal Administration of Marine announces for the information and guidance of mariners, that since a lens apparatus of the 4th degree "à courtes éclipses," or, as it is also called, "à feu fixé, varié par des éclats," has been put up on the newly constructed lighthouse at Winga Skeir; the lighting of the same will commence on the evening of the 1st of next September, and be kept lighted at the same times as the other royal lighthouses. This new lighthouse is constructed in the direction of N.E. by W. ½ E., 400 feet distant from the Old Winga Lighthouse. The new light burns at a height of 90 feet above the surface of the water, or at the same height as the present one. The two lights appear to ships open or separated from all points of the compass between S.S.W. south over and N.W. by W., and from N.N.W. north over to S.W. by W.

In connection with the same the light in the lighthouse of Buskor, situated within Winga, has been altered so as to present a red appearance on the sea side, and the points which look that way, but a white one where the light is seen towards the Archipelago.

GENERAL BOARD OF HEALTH.

DIRECTIONS AND REGULATIONS OF
THE GENERAL BOARD OF HEALTH,
issued under authority of the Nuisances Removal
and Diseases Prevention Act, 1843.

(ENGLAND AND WALES.)

IN exercise of the authority vested in us, we,
the General Board of Health, direct the Guardians
and Overseers in all Unions, Parishes, and places
in England and Wales, as follows:—

I. To have made out a list of the places within
the union or parish where cases of cholera, diar-
rhoea, or any epidemic or endemic disease may
have lately been frequent, and to give the list, or
portions of the list relating to the particular dis-
tricts to the Medical Officer of each district to
which it shall relate.

And to require the Medical Officer to visit the
places within his district named in such list, and
examine the houses as to their present condition,
or as to any predisposing and removeable causes of
disease likely to affect the inmates.

II. To direct their Medical Officer to give a
written list to the Guardians of all places in a state
dangerous to health, or needing cleansing; and of
filthy and unwholesome dwelling-houses; and of all
nuisances within his knowledge that may be abated,
cleansed, and removed under these Regulations.

III. To see that all Town-Councils, Commis-
sioners under local Acts, Local Boards of Health,
Highway Boards, Surveyors and District or Assis-
tant Surveyors of Highways, Road Trustees or Com-
missioners, County Surveyors, and others now by
law entrusted with the controul of streets and places
within the parts to which these Directions and
Regulations extend, do exert their powers for the
cleansing of all places under their controul, parti-
cularly those included in the above-named list of
the Medical Officer.

IV. To see that places not entrusted by law to
the care of any Town-Council, Local Board of
Health, Commissioners, Surveyors, Trustees, or
others, are kept clean by the owners or occupiers of
houses or tenements adjoining, by effectual washing
or otherwise, and with the use of such disinfectants
as the Medical Officer shall direct.

V. Where there is any default in cleansing or
removing nuisances by neglect of any such Town-
Council, Local Board of Health, Commissioners,
Surveyors, Trustees, or others, or by reason of
poverty of occupiers or otherwise, to cause such
places to be cleansed, and all nuisances to be re-
moved therefrom.

VI. When any dwelling-house is in such a con-
dition as to be a nuisance or injurious to health; or

Where, upon, adjoining to, or near any premises
or place as aforesaid, there is any drain, ditch,
gutter, watercourse, privy, cesspool, or ashpit, kept
or constructed so as to be a nuisance or injurious to
health; or

Where, upon, adjoining to, or near any such pre-
mises or places, swine or any other animal, or any
accumulation of dung, manure, offal, filth, refuse, or
other matter or thing shall be kept so as to be a
nuisance or injurious to health;

To see that the owner or occupier, or the person
having the care of such dwelling-house or premises,
or the person causing the nuisance, forthwith
cleanses, white-washes, ventilates, or otherwise
purifies, as the case may require, such dwelling-
house or premises, or otherwise abates or removes
the nuisance or matter injurious to health.

And if default be made herein by reason of the
poverty of the owner, occupier, or other person or

otherwise, and complaint shall have been made as hereinafter provided;

To see that the local authority empowered to act in the place where the premises complained of shall be situate, or if there shall be no such local authority, or the local authority shall delay for an unreasonable time, themselves to take all proper means for carrying into effect the Directions above prescribed for the owner or occupier.

VII. When any complaint under the 1st section of the Nuisances Removal and Diseases Prevention Act, 1848, or any certificate under the Nuisances Removal and Diseases Prevention Amendment Act, 1849, is made to the Guardians, to cause proceedings to be taken under the 1st section of the former Act; or to forward the complaint to any other local authority who may have legal power to deal with the nuisance; or if there has been previous default on the part of such local authority, forthwith, if necessary, to proceed on the complaint themselves, under the said Acts.

VIII. Where they consider the case one of urgency, to cause any such dwelling-house or premises to be cleansed and purified, and any such nuisance as herein-before described, to be forthwith removed and abated, without any previous complaint being made to them or to the local authority.

IX. To order every Medical Officer, upon any unusual amount of diarrhoea, or any case of cholera becoming known to him within his district, to report the same to the Guardians.

X. Where cholera is present or imminent, To provide sufficient medical aid for house to house visitation, and for medical treatment of the sick, and for dispensing medicines, and issuing notices stating where such aid and medicines have been provided.

XI. To provide places for accommodating necessitous sick who cannot be properly treated in their own houses.

XII. To provide places to which may be removed the families or fellow-lodgers of necessitous persons attacked with cholera, and to cause the dwellings from which persons may have been so removed to be cleansed by the owners or persons having the care of them; or, in their default, by the Guardians.

XIII. On the occurrence of any case of cholera in any room occupied by one family or more, to cause the removal either of the patient or of so many of the occupants as the Medical Officer may deem necessary.

XIV. To provide, when practicable and necessary, in case of death by cholera, for the speedy removal and interment of the body.

XV. To make arrangements for obtaining daily lists of persons attacked by cholera within the Union, and for communicating the same weekly to the General Board of Health.

XVI. To appoint such Medical and other Officers as may be necessary to execute and superintend the execution of these Regulations, and to publish and circulate Notices of the provisions of the said Acts for the Prevention of Nuisances, and of our Directions and Regulations, or such part of them as may appear expedient.

In these Directions and Regulations the words "Guardians of the Poor" mean the Guardians, Directors, Wardens, Governors, or other like Officers having the management of the poor of any union, parish, or place where the matter requiring the cognizance of any such officers arises; and the expression "Local Authority" means the Town-

Council, Local Board of Health, or any Trustees or Commissioners for the draining, paving, lighting, cleansing, managing, or directing the Police of any town, borough, or place, Highway Board, or any other body of a like nature, or any Commissioners of Sewers, or any body, excepting Boards of Guardians and Overseers, having by law powers for the removal of nuisances.

Given under my hand, and under the seal of the General Board of Health, this eighth day of September one thousand eight hundred and fifty-four.
