THE Allied Armies established their basis of operations at Bala Clava on the morning of the 28th, and were preparing to march without delay upon Sevastopol. The Agamemnon and other vessels-of-war of the Allies were in the Port of Bala Clava. There were facilities there for disembarking the battery train.

It is stated that Prince Menchikoff was in the field at the head of 20,000 men, expecting reinforcements; that the fortified place of Anapa has been burnt by the Russians; that its garrison was marching to the scene of action; and that a Convoy of Ammunition, escorted by Cossacks, had been taken and destroyed by an English detachment.

The Banshee, bearer of this news, left the Crimea on the evening of the day before yesterday.
