ABOYNE, BALLATER, BRAEMAR, AND  
CAIRNWELL ROAD BILL.

*Alteration of Line during progress of Bill:*

**W**HEREAS a Bill is now pending in Parliament, intituled "a Bill for making and maintaining a Turnpike Road from Charlestown of Aboyne by Ballater, Crathie, and Castletown of Braemar, to Cairnwell Hill, with a Branch to Crathie, in the county of Aberdeen, and for other purposes."

And whereas during the progress of the said Bill, and since the deposit of the plan and section therein referred to, which plan and section was deposited with the Sheriff-Clerk for the county of Aberdeen, at his office in Aberdeen, in the month of November, in the year One thousand eight hundred and fifty-four, it has been found expedient that one of the Roads by the said Bill intended to be authorised should, between the points on the line of such Road, in the parish of Braemar, in the county of Aberdeen hereinafter mentioned, be constructed according to a different line from that delineated upon the said plan deposited as aforesaid.

Now notice is hereby given that application is intended to be made to Parliament, in the present Session, to insert in the said Bill all necessary and proper provisions for enabling the Trustees, to be appointed by the said Bill, to construct the Road by the said Bill proposed to be authorised, between the first furlong of the sixteenth mile in the said parish of Braemar, as shown on the said plans deposited as aforesaid, and the sixth furlong of the nineteenth mile in the same parish, as shown on the said plans by a line situate in the said parish of Braemar, but differing in its course and direction from that delineated upon the said plans between the above-mentioned points.

And it is proposed to insert in the said Bill powers to make lateral deviations from the line of such altered Road to the extent, or within the limits, defined upon the plan deposited as herein-after mentioned, and (so far as may be required for the purposes of the said altered portion of Road), to cross, break up, divert, alter, or stop up, either temporarily or permanently, any turnpike and other roads, highways, footpaths, streams, waters, and sewers, within the aforesaid parish of Braemar, between the points before-mentioned.

And it is also proposed to insert in the said Bill powers to take lands and buildings by compulsion or agreement, for the purposes of the said altered portion of Road, and to vary or extinguish all existing rights or privileges in any manner connected with such lands and buildings, or which would in any manner impede or interfere with the construction or maintenance thereof.

And it is proposed by the said Bill to take power to erect and maintain turnpike houses, gates, and toll-bars on, and to levy tolls for the use of, the said altered portion of Roads.

And it is also proposed to enable the Trustees to exercise and acquire all such powers, rights, and privileges, and to effect all such agreements and arrangements with Trustees of existing Roads, and other public bodies in respect of the altered portion of the proposed Road between the points above-mentioned, in the parish of Braemar, as are mentioned and referred to in the notice for the said Bill, which was published in the Edinburgh Gazette, of the Twenty-fourth day of November,

One thousand eight hundred and fifty-four, a copy of which notice was deposited with the Sheriff-Clerk of the county of Aberdeen, in the month of November, One thousand eight hundred and fifty-four.

And notice is hereby also given that a plan and section describing the direction, line, and levels of the said intended altered portion of the Road, and the lands through which the same is intended to be made, together with a Book of Reference to such plan, and a copy of this notice have been, in this present month of May, deposited for public inspection with the Sheriff-Clerk for the county of Aberdeen, at his office in Aberdeen, and with the Schoolmaster of the united parishes of Crathie and Braemar, at his place of abode.

Dated this Tenth of May, One thousand eight hundred and fifty-five.
