The Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Acting Consul-General in Egypt, enclosing copy of a communication addressed to him by the Egyptian Government, stating that the duties on merchandize imported into Egypt from Darfur and the White River, and intended for exportation, have been reduced to three per cent., payable at the place of lading. It is necessary however, that on passing Assonan, such merchandize should receive the Custom-House mark, in order to prove its being intended for exportation.

Goods imported into Egypt and destined for the commerce of the countries in question, are placed on the same footing as if imported for consumption in Egypt.

Goods imported into Egypt from Provinces under the Egyptian Government, and situated beyond Assonan, will be exempt from duty at the Custom-House of Assonan, and regarded as the produce and manufactures of Egypt.
