TUESDAY, SEPTEMBER 16, 1856.

FOREIGN-OFFICE, September 5, 1856.

THE Queen has been graciously pleased to appoint Henry Adrian Churchill, Esq., C.B., now Third Paid Attaché to Her Majesty's Legation at Tehran, to be Her Majesty's Consul in Bosnia.

DUBLIN CASTLE, August 23, 1856.

This day His Excellency the Grand Master (by Her Majesty's command) held a Chapter of the Most Illustrious Order of Saint Patrick, at the Castle of Dublin.

The following Knights Companions, in their Mantles, Stars, and Collars, assembled in the Robing Room, viz.—The Earl of Roden, the Earl of Milltown, the Earl of Wicklow, the Earl of Rosse, Viscount Massereene, Lord Cremorne; attended by the following Officers of the Order—The Hon. and Very Rev. the Dean of Saint Patrick's, the Registrar; Lowry V. Townley-Balfour, Esq., the Secretary; Col. Sir George Morris, Usher of the Black Rod; Sir Bernard Burke, Ulster King of Arms, Knight Attendant on the Order; Molyneux Betham, Esq., Cork Herald.

At Half-past Three o'Clock P.M., the Knights Companions were called over by Ulster, and proceeded to the presence of the Grand Master, who was seated in the Chair of State, in the Throne Room, and they, with the usual reverences, took their respective seats at the table, according to their stalls.

His Excellency then commanded Ulster to read Her Majesty's Letter, authorizing the Chapter to be held, which being done, the Marquess of Londonderry was introduced by the Gentleman Usher and Ulster King of Arms, and kneeling, received the honour of Knighthood, and retired.

His Excellency the Grand Master then communicated to the Chapter that Her Majesty had been pleased to nominate Sir Frederick William Robert Stewart, Knight, Marquess of Londonderry, to be a Knight Companion of the Most Illustrious Order, and to command that his Lordship be invested with the Ribbon and Badge on the present occasion.

By Command of the Grand Master, the two Junior Knights present proceeded to the door of the Chapter Room, and (Ulster, bearing the insignia of the Order before them on a velvet

cushion,) conducted the Marquess of Londonderry between them to the right of the Chair of State, where his Lordship made and subscribed the declaration appointed by the Statutes; and His Excellency the Grand Master, assisted by the two Senior Knights Companions present, put the Ribbon with the Badge over the Marquess's right shoulder, pronouncing the Admonition; after which the Marquess was congratulated by His Excellency and the Knights present, and took his seat at the table.

Ulster, Knight Attendant, thereupon called over the names of the Knights Companions present, who each rose from his seat on the pronouncement of his name, and the Chapter broke up.

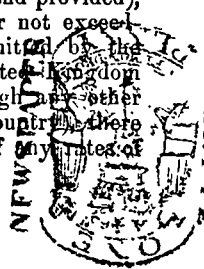

J. BERNARD BURKE, Ulster.

## TREASURY WARRANT.

WHEREAS by an Act passed in the fourth year of the reign of Her present Majesty, intitled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British or Inland postage, payable by law on the transmission by the Post of Foreign or Colonial letters or newspapers, or any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and to make and establish any new or other rates in lieu thereof.

And whereas it is expedient that regulations should be made for the transmission by the Post of the letters hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power or authority in us for such purpose vested in and by the said Act, and of all other purposes enabling us in this behalf, do, by this Warrant (under the hands of two of us, the said Commissioners, by the authority of the Statute in that case made and provided), order and direct that on every letter not exceeding half an ounce in weight, transmitted by the Post between any place in the United Kingdom and the Mauritius (direct or through any other colony, or through any Foreign Country), there shall be charged and taken in lieu of any rates of

British postage now payable by law on such letters, an uniform British rate of sixpence.

And we direct that on every letter not exceeding half an ounce in weight, transmitted by the Post between the Mauritius and any other of Her Majesty's Colonies, or any Foreign Country, through the United Kingdom (whether through any Colony or Foreign Country or not), there shall be charged and taken in lieu of any rates of British postage now payable by law on such letters, the rates of British postage following; that is to say:—

For the conveyance of every such letter between the Mauritius and any part of the United Kingdom, a rate of sixpence, and for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and the Colony or Foreign Country to or from which the same shall be forwarded, such a further or additional rate of postage as shall, from time to time, be charged and payable for British postage on letters posted or delivered at the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and any such Colony or Foreign Country.

And we direct that on every letter transmitted as is mentioned in this Warrant, exceeding half an ounce in weight, there shall be charged, taken, and paid, progressive and additional rates of postage as follows, that is to say:—

On every such letter exceeding half an ounce in weight and not exceeding one ounce in weight, two rates of postage.

On every such letter exceeding one ounce and not exceeding two ounces in weight, four rates of postage.

On every such letter exceeding two ounces and not exceeding three ounces in weight, six rates of postage.

And on every such letter exceeding three ounces and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces, there shall be charged and taken two additional rates of postage, and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause, shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding half an ounce in weight.

And we direct that in all cases in which any letter in respect of which any rate of postage is chargeable by this Warrant shall pass through a Foreign Country, any Foreign postage payable thereon, shall be charged and paid thereon in addition to the British postage.

And we further direct that nothing in this Warrant contained shall in anywise prejudice or affect the privilege granted by the said recited Act in favour of petitions and addresses forwarded to Her Majesty by the Post, nor the privilege granted by the same Act to members of each House of Parliament to receive by the Post petitions and addresses to Her Majesty, and petitions addressed to either House of Parliament, not exceeding thirty-two ounces in weight, exempt from postage; nor shall any thing in this Warrant contained, in anywise prejudice or affect the privilege which seamen and soldiers employed in Her Majesty's service, and seamen and soldiers

employed in the service of the East India Company, now by law enjoy of sending and receiving by the Post letters not exceeding half an ounce in weight, subject to the regulations and restrictions in respect of the same.

And we further direct that nothing in this Warrant contained shall be deemed or construed to extend to any letters or packets posted in, or addressed to France, or any Foreign Country through France, and transmitted between France or Foreign Countries through France and the Mauritius, all which last mentioned letters and packets shall be charged and chargeable with the same rates of postage as if this Warrant had not been signed.

And we further direct that nothing herein contained shall be deemed or construed to extend to any letters, the sea conveyance of which shall be by a packet-boat belonging to, or employed by, or under the Government or Post-Office of the United States of America, or the sea conveyance of which, in the Mediterranean, shall be by a French packet-boat, all which letters shall be charged and chargeable as if this Warrant had not been signed.

And we further direct that the term "by the Post," used in this Warrant, shall, as to the sea conveyance, include the conveyance by any British, or Colonial, or Foreign packet-boat (packet-boats belonging to, or employed by, or under the Government or Post-Office of the United States of America, and French Mediterranean packet boats excepted), and the said term shall also include the sea conveyance by any private ship.

Provided lastly, and we hereby declare and direct that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, by Warrant duly made, at anytime hereafter to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.
