WHEREAS by an Act passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," it is enacted that it shall be lawful for the Commissioners of Her Majesty's Treasury, from

time to time, and at any time after the passing of that Act, by Warrant under their hands, to alter and fix any of the rates of British postage or Inland postage payable by law on the transmission by the Post of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and by Warrant as aforesaid to appoint at what time the rates that might be payable were to be paid.

And whereas the Commissioners of Her Majesty's Treasury, in exercise of the power and authority in them for such purpose vested in and by the said before-mentioned Act of Parliament, did by a certain Warrant in writing, under the hands of three of them, the said Commissioners, bearing date at Whitehall, Treasury-Chambers, the 28th day of November 1844, after reciting amongst other things the said before-mentioned Act of Parliament, and that it was desirable to make further regulations in respect of the postage of letters and newspapers sent by the Post from the United Kingdom, or any of the other places thereinafter mentioned, to Bombay, or Madras, or Calcutta, in the East Indies, and forwarded by packet-boats or private ships to any place to the eastward of such port or place, or received by packet-boats or private ships at Bombay, Madras, or Calcutta, from any place to the eastward of such port or place, and forwarded by the Post to the United Kingdom or any of the other places therein-after-mentioned, the said Commissioners of Her Majesty's Treasury did, amongst other things, direct that on all letters not exceeding half an ounce in weight, transmitted by the Post from the United Kingdom, or from Gibraltar, Malta, the Ionian Isles, France, Spain, Portugal, Italy, Greece, Turkey, Syria, or Egypt, to Bombay, or Madras, or Calcutta, in the East Indies, and forwarded from such port or place of arrival by packet-boats or private ships to any port or place situate or lying to the eastward of such port or place of arrival (Ceylon only excepted), and on all letters sent by packet-boats or private ships to Bombay from any ports or places situate or lying to the eastward of Bombay, or sent by packet-boats or private ships to Madras from any ports or places situate or

or Calcutta (the conveyance between any such eastward port or place and Bombay, Madras, or Calcutta, being by packet-boats or private ships), there should be charged and taken in addition to all other rates of postage payable by law on such respective newspapers, one uniform rate of postage of twopence, provided that such additional rate of twopence on newspapers sent to any port or place situate or lying to the eastward of Bombay, Madras, or Calcutta, should be prepaid at the time of posting the same, except as to newspapers addressed to the said Island of Hong Kong, and forwarded viâ Southampton and the Mediterranean packet-boats, on which the pre-payment of such additional rate of postage should be optional with the sender.

And whereas it is expedient that so much of the said Warrant, bearing date the said 28th day of November 1844, and of the several rates and progressive rates of postage therein respectively mentioned and contained, as are hereinbefore mentioned, recited, and set forth, should be repealed, annulled, and revoked.
