WAR-OFFICE, September 3, 1858.

THE Queen has been graciously pleased to signify Her intention to confer the Decoration of the Victoria Cross on the undermentioned Officer and Soldier, who have been recommended to Her Majesty for that Decoration on account of Acts of Bravery performed by them in India, as recorded against their respective names; viz. :—

| Regiment or Corps.         | Rank and Name.  | Act of Bravery for which recommended.   |
|----------------------------|---|---|
| 4th Bengal Native Infantry | Lieutenant (now Captain) Frederick Robertson Aikman<br>Date of Act of Bravery, 1st March 1858 | This Officer, commanding the 3d Seikh Cavalry on the advanced Picquet, with one hundred of his men, having obtained information just as the Force marched on the morning of the 1st of March last, of the proximity, three miles off the high road, of a body of 500 Rebel Infantry, 200 Horse, and 2 guns, under Moosahib Ali Chuckbdar, attacked and utterly routed them, cutting up more than 100 men, capturing two guns, and driving the survivors into and over the Goomtee. This feat was performed under every disadvantage of broken ground, and partially under the flanking fire of an adjoining Fort. Lieutenant Aikman received a severe sabre cut in the face in a personal encounter with several of the enemy.  |
| Bengal Horse Artillery     | Gunner William Connolly<br>Date of Act of Bravery, 7th July 1857                              | This soldier is recommended for the Victoria Cross for his gallantry in action with the enemy at Jhelum, on the 7th of July 1857.<br>Lieutenant Cookes, Bengal Horse Artillery, reports, that "about daybreak on that day, I advanced my half Troop at a gallop, and engaged the enemy within easy musket range. The sponge-man of one of my guns having been shot during the advance, Gunner Connolly assumed the duties of 2d Sponge-man, and he had barely assisted in two discharges of his gun, when a musket-ball, through the left thigh, felled him to the ground; nothing daunted by pain and loss of blood, he was endeavouring to resume his post, when I ordered a movement in retirement, and though severely wounded, he was mounted on his horse in the Gun-team, and rode to the next position which the guns took up, and manfully declined going to the rear when the necessity of his so doing was represented to him.<br>"About eleven o'clock, A.M., when the guns were still in action, the same Gunner, whilst sponging, was again knocked down by a musket-ball striking him on the hip, thereby causing great faintness and partial unconsciousness, for the pain appeared excessive, and the blood flowed fast. On seeing this, I gave directions for his removal out of action; but this brave man hearing me, staggered to his feet, and said, 'No, Sir, I'll not go there, whilst I can work here,' and shortly afterwards he again resumed his post as sponge-man.<br>"Late in the afternoon of the same day, my three guns were engaged at one hundred yards from the walls of a village with the defenders, viz., the 14th Native Infantry—Mutineers—amidst a storm of bullets, which did great execution. Gunner Connolly, though suffering severely from his two previous wounds, was wielding his sponge with an energy and courage which attracted the admiration of his comrades, and while cheerfully encouraging a wounded man to hasten in bringing up the ammunition, a musket-ball tore through the |

#### NOTICE TO MARINERS.

THE Lords of the Committee of Privy Council for Trade have received, through the Secretary of State for Foreign Affairs, copy of a Notice issued by the Netherlands Minister of Marine, descriptive of a Bell-Beacon recently placed near the Schouwen Bank, in the North Sea. A translation is subjoined.

(Translation.)

A bell-beacon, constructed of iron, in the form of a boat, painted black, has recently been moored in the North Sea, near the N.E. end of the "Schouwen Bank."

On the mast are fixed two triangles of trellis-work (*treillages*), one placed fore and aft, and the other athwart-ships, and painted with horizontal stripes, white and black alternately.

One of the black stripes bears the inscription "Schouwen Bank," and one of the white stripes "W. Schouwen, Z. O. misw."

At the mast-head are two black wings of elliptical form, crossing at right angles, between which is suspended a large bell, the loud and deep sound of which serves as a warning at night, and in foggy weather.

The height of the whole is more than 7 metres, or about 20 feet above the level of the sea, and will be visible in clear weather at a distance of about 2 geographical leagues, or 8 English miles.

The beacon is moored in 26 metres, about 12½ fathoms, at ordinary low water, in latitude 51° 47' N. and longitude 3° 27' E. (Greenwich).

The bearings (magnetic) are as follows :—

Schouwen revolving light, S.E.  
West-Kasselle light S. by W.  $\frac{3}{4}$  W.

(Dated) The Hague, 17th August 1858.

(Signed) J. S. LOTSIJ,  
Minister of Marine.
