The Secretary to the Government of India with the Governor-General, to the Military Secretary to the Government of the Punjab.

SIR,

HAVING submitted to his Excellency the Governor-General your letter, No. 9, dated the 6th instant, forwarding a detailed report of the operations against the Wuzerees by Brigadier-General Chamberlain, C.B., I am directed to state that his Excellency entirely concurs with the Honourable the Lieutenant-Governor in the cordial approbation expressed by his Honour of the service rendered by Brigadier-General Chamberlain, and in his appreciation of the valuable results of that service.

The Governor-General directs me to request that the Lieutenant-Governor will have the goodness to convey to Brigadier-General Chamberlain his best thanks for the promptitude and success with which these important operations have been conducted. On the 15th of December last, the force commanded by that officer marched from Kohat; and on the 14th of January it returned to that station, having, in the short period of one month, exacted reparation from the Kabyl Khail Wuzerees for the support and shelter given by them to the murderers of the late Captain Mecham; and having, while effecting that object, exhibited to the tribes of the districts through which he marched, not only the power of the Government to reach and punish those amongst them who are guilty of offence, but its careful forbearance towards all others.

I am directed to request that the Governor-General's thanks may be particularly conveyed to all the officers\* mentioned by Brigadier-General Chamberlain; and, generally, to the force which was under his command.

The Governor-General attaches great value to the survey of the districts through which General Chamberlain marched.

#### TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her Majesty for the regulation of the duties of postage, certain scales of weight and rates of postage were fixed, and were made chargeable and payable upon, for, and in respect of letters, newspapers, Parliamentary proceedings, and printed papers transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post. And by the said Act power was given to the Commissioners of Her Majesty's Treasury, (amongst other things,) from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage payable by law on the transmission by the post of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage, according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any of such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which might be payable were to be paid.

And whereas the provision fixing the maximum weight of letters to be sent by the post in the said before recited Act was repealed, and further powers were given to the Commissioners of Her Majesty's Treasury in that behalf by another Act of Parliament passed in the eleventh year of the reign of Her Majesty, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-Office.

And whereas it is expedient that regulations should be made for the transmission by the post of packets consisting of books, publications, or works of literature and art, and other printed papers, between the United Kingdom and  burgh, in the Kingdom of Sweden, in the manner hereinafter mentioned and contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in and by the said before-mentioned two Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the

hands of two of us, the said Commissioners, (by the authority of the Statute in that case made and provided,) order, direct, and declare as follows:—

1. All packets consisting of books, publications, or works of literature or art, whether British, Colonial, or Foreign, and all packets consisting of printed votes and proceedings of the Imperial Parliament, posted in the United Kingdom addressed to Gothenburgh, or posted at Gothenburgh addressed to the United Kingdom, may be transmitted by the post between the United Kingdom and Gothenburgh (the sea conveyance being by British or Foreign packet-boat direct). And all such respective packets shall be transmitted in conformity with, and under and subject to the several regulations, orders, directions, and conditions hereinafter mentioned and contained; and the single rate of postage for the transmission of such packets shall be the sum of three pence. And all such respective packets, so transmitted and chargeable with postage as aforesaid, shall be subject to the several progressive and additional rates of postage hereinafter mentioned; that is to say:—

On every such packet, if not exceeding four ounces in weight, there shall be charged, taken, and paid, for the transmission thereof, respectively as aforesaid, the uniform single rate of postage of three pence.

And on every such packet, exceeding four ounces in weight, there shall be charged, taken, and paid progressive and additional rates of postage as follows (that is to say):—

On every such packet, if exceeding four ounces in weight and not exceeding eight ounces in weight, two rates of postage.

And on every such packet, if exceeding eight ounces and not exceeding one pound in weight, four rates of postage.

And on every such packet, if exceeding one pound and not exceeding one pound and one-half of another pound in weight, six rates of postage.

And for every additional half of a pound in weight of any such packet above the weight of one pound and one half of another pound in weight there shall be charged, taken, and paid two additional rates of postage; and every fractional part of such additional half of a pound in weight shall be charged as an additional half of a pound in weight. And each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant if not exceeding four ounces in weight.

No such packet which, in length, or breadth, or width, shall exceed the dimensions of two feet, shall be forwarded by the post under the provisions of this Warrant.

The terms "books, publications, or works of literature or art," in this Warrant used, shall, for the purposes of this Warrant, mean and comprise all such articles as in their general character are either literary, or consist of printed, written, engraved or lithographed matter (although not strictly literary), including books (whether printed, written, or plain); publications or compilations (whether in print or in manuscript); almanacks, printed or lithographed; letters, and such artistic productions as prints, maps (whether on paper, or canvas, or cloth, and whether printed or written); and photographs, when not on glass, or in frames containing glass; and any description of paper, parchment, or vellum (whether printed, lithographed, written upon,

or plain, or any mixture of the four); together with any binding, mounting, or covering of or upon, or belonging to any such article or production, or any portion thereof, or of or belonging to any paper, parchment, or vellum; and including also any cases or rollers of prints or maps, book markers (whether of paper or otherwise); pencils, pens, or other things usually appertaining to any such article or production, paper, parchment, or vellum, or necessary for its safe transmission, which shall be sent in the same packet with any such article or production to which they or it shall belong. And all letters, notices, and other communications, whether upon paper, parchment, or vellum, partly printed, or partly lithographed, and partly written, which, if wholly written, would not be considered letters, or communications in the nature of letters, may be transmitted by the post under the provisions of this Warrant; but any letter, notice, or other communication (whether upon paper, parchment, or vellum), partly printed, or partly lithographed and partly written, which, if wholly written, would be considered a letter or a communication in the nature of a letter, shall not be entitled to the privilege of being transmitted by the post under the provisions of this Warrant: Provided that nothing herein contained shall extend to authorize the sending by the post, under the provisions of this Warrant, of any patterns, or books of patterns, or papers of patterns, of any article or thing whatsoever, unless such patterns shall consist merely of paper.

Every packet transmitted by the post under the authority of this Warrant shall be sent open at the ends or sides, and either without a cover, or in a cover or envelope open at the ends or sides.

No packet transmitted by the post under the authority of this Warrant shall contain any written letter, either closed or open, nor any written communication in the nature of a letter, either closed or open (whether such letter or communication be addressed to, or intended for the person to whom the packet shall be directed or any other person), nor any enclosure sealed, or otherwise closed against inspection, nor any other enclosure not authorized by this Warrant, sent in or with any such packet, nor shall there be any written letter, or written communication in the nature of a letter, in or upon any such packet, or on the cover or envelope thereof.

Every packet transmitted by the post under the authority of this Warrant, and posted in the United Kingdom, shall be put into the Post-office at such hours in the day, and under all such regulations as the Postmaster-General may appoint.

Upon every packet transmitted by the post under the authority of this Warrant, which shall be posted in the United Kingdom, the postage thereof shall be paid at the time of posting the same.

2. Every letter, notice, or other communication (whether upon paper, parchment, or vellum), partly printed, or partly lithographed, and partly written, which, if wholly written, would be considered a letter, or a communication in the nature of a letter, sent by the post, shall be deemed and considered to be a letter, and shall be chargeable with postage as a letter.

3. If any question shall arise whether any such letter, notice, or other communication as last

hereinbefore mentioned is entitled to the privilege of a printed paper, so far as respects the transmission thereof by the post, or of being sent by the post under the authority of this Warrant, the same shall be referred to the determination of the Postmaster-General, whose decision thereupon shall be final.

4. If any packet sent, or tendered, or delivered in order to be sent by the post, under the authority of this Warrant, shall in length, or breadth, or width, exceed the dimensions of two feet, or if any such packet, or the cover or envelope thereof shall not be open at the ends or sides, or if any such packet shall be sent otherwise than in conformity with the terms, conditions, and regulations hereinbefore contained, every such packet shall and may be detained and opened, and, at the option of the Postmaster-General, shall be either returned or given up to the sender thereof; and every such packet on being so returned or given up shall, at the option of the Postmaster-General, be either free of postage, or be charged with any rate of postage he may think fit, not exceeding the postage to which it would have been liable as a letter.

5. If any packet sent, or tendered, or delivered in order to be sent by the post, under the authority of this Warrant from the United Kingdom to Gothenburgh (any such packet posted in London, and sent from any department or office in or connected with the public service of Her Majesty, which shall keep a postage-account with the General Post-office in London, and the postage thereof being charged in such account, only excepted), shall be posted in the United Kingdom, without any postage being paid thereon, or with a postage paid thereon less in amount than the rate of postage to which such packet shall be liable under and by virtue of the regulations hereinbefore contained, every such packet shall be detained and opened, and, at the option of the Postmaster-General, shall be dealt with and chargeable in like manner as is hereinbefore directed with respect to any packet not open at the ends or sides, or which may exceed in length, or breadth, or width, the dimensions of two feet.

6. All packets transmitted by the post, under the provisions of this Warrant, shall be subject to the several orders, directions, regulations, and rates of postage respectively contained in a certain Warrant of the Commissioners of Her Majesty's Treasury, under the hands of two of the said Commissioners, bearing date the 19th day of February 1855, relating to re-directed rates of postage upon packets which shall be re-directed and again forwarded by the post.

7. The rates of postage chargeable on packets transmitted by the post under the authority of this Warrant shall be in lieu of any rates of British postage now chargeable by law thereon.

8. The several terms and expressions used in this Warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the said Act passed in the fourth year of the reign of Her Majesty.

9. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, duly made, at any time hereafter alter, repeal, or revoke any of the rates of postage hereby fixed or altered, or any of the orders, directions, regulations, or conditions hereby made, and may make and establish any new or other rates, orders, directions, regulations, or conditions in lieu thereof, and from time to time may appoint at what time the rates which may be payable are to be paid.

10. This Warrant shall come into operation on the second day of April 1860.

Whitehall, Treasury-Chambers, the twenty-eighth day of March 1860.

E. H. KNATCHBULL HUGESSEN.  
WILLIAM DUNBAR.

#### NOTICE TO MARINERS.

(No. 9.)—NORTH ATLANTIC.—COAST OF SPAIN.

##### Fixed Light on Isla Mouro.

THE Minister of Marine at Madrid has given Notice, that on and after the 15th day of February 1860, a light would be exhibited from the light-tower recently erected on Mouro Islet, at the entrance of the Port of Santander, on the southern shore of the Bay of Biscay, north coast of Spain.

The light is a *fixed white* light, illuminating an arc of  $270^\circ$  of the horizon, or from S. by W. to W. by N.; through the remainder of the circle a faint light will be seen when beyond the distance of  $4\frac{1}{2}$  cables' lengths from the lighthouse. The light is elevated 141 feet above the level of high water, and should be seen in clear weather from a distance of 12 miles.

The illuminating apparatus is catoptric, or by reflectors of the fifth order.

The light-tower is slightly conical, 56 feet high from base to upper balcony, and stands 14 yards from the north shore of the islet. It rises from the centre of the lightkeeper's dwelling, which is circular, and both are built of white stone; the windows and top of lanterns are painted green, and upper balcony red. The dwelling will be hid by the rocks off the islet when approaching it from the north-east. The position of the light-tower is given as lat.  $43^\circ 28' 37''$  N., long.  $3^\circ 45' 43''$  West of Greenwich.

A rock, called the Corbera, and a bank of 3 feet water, lie respectively S.E. by E.  $\frac{1}{4}$  E. 112 fathoms, and W. by S. 140 fathoms from the lighthouse.

[The Bearings are Magnetic. Variation  $21\frac{1}{4}^\circ$  West, in 1860.]

By Command of their Lordships,

JOHN WASHINGTON, Hydrographer.

Hydrographic Office, Admiralty, London,  
16th February 1860.

This Notice affects the following Admiralty Charts:—North Atlantic, Eastern Part, No. 2060; Bay of Biscay, Southern Part, No. 64; and Plan of Port of Santander, No. 76. Also Spanish Lights List, No. 210.

#### NOTICE TO MARINERS.

(No. 11.)—BALTIC.—GULF OF FINLAND.

Alteration of Lights in the Kalbaden-Grund and Revel-Stein Light Vessels.

THE Imperial Ministry of Marine of Russia has given notice that during the navigation of the Gulf of Finland, in the year 1860, the following alterations will be made in the lighting the Kalbaden-Grund and Revel-stein light vessels, the former lying 14 miles to the south-west of Glosholm, on the north shore of the Gulf, and the latter off Revel, on the south shore.

The light vessel, which will be placed off the south side of the Kalbaden-Grund, instead of the red light will exhibit a *fixed white* light on her mainmast, and a ball at the mast head.

The light vessel which will be placed off the north side of the Revel-stein, instead of three lights will exhibit only two *fixed white* lights, one on her fore and the other on her mizen mast; and a ball at the fore and mizen mast heads.

*Lebiadnikova Shoal*, lying  $7\frac{1}{4}$  miles to the westward of the north point of Hogland, and hitherto distinguished by a flag, will for the future be marked by a beacon having six streaks, three coloured white and three red, and with a double broom at the side, in order to distinguish it from the Hogland Shoal which lies N.N.W.  $\frac{3}{4}$  W. 2 miles from the north point of Hogland, and is marked by a flag.

The bank of 5 fathoms, discovered in 1859, lying 9 miles to the eastward of Ekholm and  $1\frac{1}{2}$  miles N. 42 W. (true) from the white flag on the north part of the Kalk-grund, will in future be marked by a *black* instead of a white buoy.

*Namsi Bank*.—For the convenience of vessels navigating the eastern part of the entrance to Narva Bay, between the New Ground and the Namsi Bank, the 5 feet water on the Namsi Bank will in future be marked by a *black* buoy.

#### Harbour Lights at Revel.

In reference to Notice to Mariners, No. 42, dated 15th October 1859, information has been received at the Admiralty that the lights are exhibited from the wall at the entrance of the new military port of Revel, and not from four light vessels as previously reported.

By Command of their Lordships,

JOHN WASHINGTON, Hydrographer.

Hydrographic Office, Admiralty, London,  
February 1860.

This Notice affects the following Admiralty Charts:—Baltic, General, No. 2262; Baltic, Gulf of Finland, No. 2246; Baltic Sheet 6, No. 2193; Gulf of Finland, Sheets 6 and 7, Nos. 2192, 2193. Also, Russian Lights List, No. 173; and Baltic Pilot, pages 105, 112.

#### NOTICE TO MARINERS.

(No. 13.)—WEST INDIES—ST THOMAS ISLAND.

Rock off St Thomas Harbour.

INFORMATION has been received at the Admiralty from Her Majesty's Consul at St Thomas Island that a small detached coral rock has recently been discovered, lying to the southward of the Triangles Rocks, off the eastern point of entrance to St Thomas Harbour, Virgin Islands.

The rock, which is only 100 feet in diameter, has 17 feet least water on it, and 7 fathoms close to. It lies 165 fathoms to the southward of the south-west rock of the Triangles group, with the two western rocks of that group in line bearing North.

Judge Berge's house, (the only flat roof building above the town of Charlotte Amalia, on the second hill from the west,) kept well open to the westward of Möhlenfels point, or Contant Mill in line with Cowell Point, will lead to the westward of this danger; but a vessel of large draught on nearing the port from the eastward should keep East Gregerie channel well open until the west point of Water Battery is in one with the east end of the northern church, bearing N. by W.  $\frac{1}{4}$  W.,

which is the fairway leading mark into the harbour.

[The bearings are Magnetic. Variation  $1^{\circ} 30'$  East, in 1860.]

By Command of their Lordships,

JOHN WASHINGTON, Hydrographer.

Hydrographic Office, Admiralty, London,  
10th March 1860.

This Notice affects the following Admiralty Charts:—St Thomas Harbour, No. 2183; and West Indies, Virgin Islands, Sheet 3, No. 2453; also West India Pilot, Vol. 2, pages 125, 127.

ALTERATION OF POLLING-PLACES AT ELEC-  
TIONS FOR MEMBERS OF THE  
HOUSE OF COMMONS.

NOTICE IS HEREBY GIVEN, That the following PETITION, subscribed by 148 Electors of the District, voting at CUMNOCK, has been presented to the Sheriff, under the provisions of the Act 16 Vic., c. 28, sec. 2 & 3, praying for an alteration of the Polling-place of the District :—

“Unto the Honourable the Sheriff of Ayrshire : the Petition of the undersigned Electors of the Parishes of Old Cumnock, New Cumnock, Muirkirk, Auchinleck, and Dalmellington, being the Parishes attached to the Polling-place of Old Cumnock, humbly sheweth,—That freedom of Election has been greatly interfered with, as regards the parishes of your Petitioners, by the occurrence of very serious riots at the Town of Cumnock : That many of your Petitioners have been seriously impeded in proceeding to the Poll and returning from it at the said Town, and have suffered much violence, insult, and intimidation on the part of Non-Electors and others there, not only on the occasion of the recent election in October last, but of former Elections, and your Petitioners have reason to apprehend that the like may again occur under similar circumstances : That it is absolutely necessary for the due protection of your Petitioners and others in the exercise of their franchise, that the Poll should be transferred from Cumnock to some other place, as many of your Petitioners have resolved that on no account will they again subject themselves to a repetition of similar indignities and injuries by resorting thither to vote : That, while your Petitioners disclaim any wish to dictate to your Lordship as to what place should be substituted for Cumnock for taking the Poll for their parishes, it appears to them, after full consideration, that it will be preferable to substitute Ayr : That, as regards Old and New Cumnock, the Electors are, many of them, frequently in the habit of resorting to Ayr on their ordinary business by the road, while the railway affords ready and easy communication from all the five parishes enumerated, and as to Dalmellington, Ayr would be much more accessible than Cumnock : That no other place but Ayr appears to your Petitioners to combine the necessary accommodation required and the means of security to the Electors in the exercise of their privileges. May it therefore please your Lordship to take the foregoing into your favourable consideration, and to ordain that the Polling-place for the said parishes of Old Cumnock, New Cumnock, Auchinleck, Muirkirk, and Dalmellington, shall be at Ayr instead of Old

Cumnock, or to fix such other Polling-place or places for the said parishes, instead of Cumnock, as to your Lordship may seem most proper.—And your Petitioners will ever pray.”

By the above Statute, sec. 2, it is enacted “That no such increase or alteration, as aforesaid, shall be made, until notice thereof shall have been publicly given by Advertisement, for six weeks successively, in the *North British Advertiser* and the *Edinburgh Gazette*, and in the several Newspapers published within the County in which the said increase or alteration is proposed to be made ; and in case any of the inhabitants, not less than ten in number, being registered voters for such County, shall be desirous of opposing such increase or alteration, as aforesaid, it shall be lawful for them at any time *not later* than one week from the publication of the last Advertisement, to lodge with the Sheriff-Clerk of the County a written notice, signed by such inhabitants as aforesaid, being not less than ten in number, stating their objections to such increase or alteration, or any suggestions they may wish to offer for the purpose of obtaining a different arrangement of Polling-places or Districts from that proposed in such Advertisement as aforesaid.”

By Order of the Sheriff, with consent of  
the Lord Advocate of Scotland.

ALTERATION OF POLLING-PLACES AT ELEC-  
TIONS FOR MEMBERS OF THE  
HOUSE OF COMMONS.

NOTICE IS HEREBY GIVEN, That the following PETITION, subscribed by 171 Electors of the District, polling at STEWARTON, has been presented to the Sheriff, praying for a Transfer of the Polling-Place for the District, from STEWARTON to KILMARNOCK, under the provisions of the Act 16 Vict., cap. 28, sec. 2 & 3 :—

“Unto the Honourable the Sheriff of Ayrshire : the Petition of the undersigned Electors of the Parishes of Stewarton, Kilmaurs, and Fenwick, being the Parishes attached to Stewarton as a Polling-place, humbly sheweth,—That your Petitioners have, many of them, been subjected to much inconvenience, insult, and personal abuse, on occasion of voting at Elections for the County at Stewarton, and they are aware that many of their brother Electors have been subjected to great indignity and ill usage from the ill-disposed of the inhabitants of that place, in going to and from the Poll, both at the recent Election in the present year, and on several former occasions : That these outrages have been long matter of complaint, and have now come to such a height that freedom of Election is most seriously interfered with, and many Electors will not consent to record their votes at future Elections unless a change in the place of Polling is conceded : That, on other accounts, it would be much more convenient for many of your Petitioners to record their votes at Kilmarnock than at Stewarton, both on account of the diminution of distance they would have to travel, and because they are much more frequently in the habit of resorting to Kilmarnock on their ordinary business than to Stewarton : That Kilmarnock affords far greater facility for obtaining accommodation, and also for securing protection to voters, from its being the seat of one of your Lordship's Substitutes.”

By the above Statute, sec. 2, it is enacted "That no such increase or alteration, as aforesaid, shall be made, until notice thereof shall have been publicly given by Advertisement, for six weeks successively, in the *North British Advertiser* and the *Edinburgh Gazette*, and in the several Newspapers published within the County in which the said increase or alteration is proposed to be made; and, in case any of the inhabitants, not less than ten in number, being registered voters for such County, shall be desirous of opposing such increase or alteration, as aforesaid, it shall be lawful for them at any time *not later* than one week from the publication of the last Advertisement, to lodge with the Sheriff-Clerk of the County a written notice, signed by such inhabitants, as aforesaid, being not less than ten in number, stating their objections to such increase or alteration, or any suggestions they may wish to offer for the purpose of obtaining a different arrangement of Polling-places or Districts from that proposed in such Advertisement as aforesaid."

By Order of the Sheriff, with consent of the Lord Advocate of Scotland.
