## NOTICE TO MARINERS.

(10,031.)

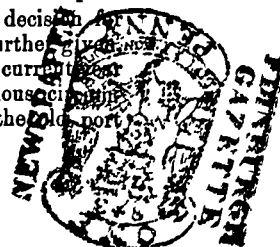

THE Lords of the Committee of Privy Council for Trade have received, through the Secretary of State for Foreign Affairs, copies of two Notifications issued by the Captain of the Port of Leghorn, translations of which are subjoined :—

(Translation.)

### PORT OF LEGHORN.

To obviate the damage which frequently occurs during the winter season in the old port of Leghorn, (or Porto Mediceo,) more especially when vessels sail in during the prevalence of the south-west and west-south-west winds, the Minister of Marine, by Resolution dated the 22d June last, has ordered that during the prevalence of said winds, and under any other imperious circumstances, vessels shall be momentarily prevented entering the said port, as they may then anchor with safety in the new port.

In publishing the said Ministerial decision for the information of Mariners, notice is further given that on and after the 1st October of the current year 1860, whenever the aforesaid imperious circumstances arise, warning not to enter the old port

shall be given to vessels by means of a plain blue flag hoisted on the external earthwork of the battery, at the point of the mole.

Royal Office of the Port Leghorn,  
July 27th 1860.

(Signed) ULISSE ISOLA,  
Captain of the Port.

(Translation.)

PORT OF LEGHORN.

To obviate the inconveniences and the damages which not unfrequently have occurred in the new Port of Leghorn, through the abuse crept in of vessels anchoring on arrival with a single anchor, which, allowing them to swing round freely with the wind, sometimes come into collision with vessels already anchored there, the Minister of Marine has ordered, under date of the 22d June last, that, in conformity with the 63d Article of the existing regulation of the 13th October 1859, for the ports of Tuscany, all vessels hereafter entering the new port shall bring up with both bower anchors, declaring that all ship masters who do not obey the present order, shall make good all damages which they may thereby occasion to other vessels, conformably to Article 39 of the said Regulation.

Leghorn, August 1, 1860.

(Signed) ULISSE ISOLA,  
Captain of the Port.
