

the post between the United Kingdom and Mecklenburgh Schwerin, now chargeable with rates of postage under the said recited Warrant of the 19th day of July 1852, in the manner hereinafter-mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in us in and by the said two hereinbefore recited Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant, (under the hands of two of us, the said Commissioners, by the authority of the Statute in that case made and provided,) order and direct as follows:—

1. On every letter not exceeding one half of an ounce in weight, posted in the United Kingdom, addressed to any place in Mecklenburgh Schwerin, and on every letter not exceeding one half of an ounce in weight, posted in Mecklenburgh Schwerin, addressed to any place in the United Kingdom, (the said respective letters being conveyed between the United Kingdom and Belgium by packet-boat,) there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, an uniform rate of British postage of two-pence halfpenny, if such respective letters be prepaid, and if such respective letters be not prepaid, an uniform rate of British postage of three pence halfpenny.

2. And on every letter transmitted as is hereinbefore-mentioned, exceeding one half of an ounce in weight, there shall be charged and taken progressive and additional rates of postage, according to the scale of weight and number of rates following, that is to say:—

On every letter so transmitted exceeding one-half of an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter so transmitted exceeding one ounce and not exceeding two ounces in weight, four rates of postage.

On every letter so transmitted exceeding two ounces and not exceeding three ounces in weight, six rates of postage.

And on every letter so transmitted, exceeding three ounces, and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces, there shall be charged and taken upon every letter so transmitted, two additional rates of postage, and every fraction of an ounce above the weight of four ounces shall be charged as an additional ounce, and each progressive and additional rate chargeable under this clause, shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding one-half of an ounce in weight.

3. If any letter shall be posted in the United Kingdom addressed to Mecklenburgh Schwerin, or if any letter shall be posted in Mecklenburgh Schwerin addressed to the United Kingdom, and the postage paid thereon shall be less in amount than the rate of postage to which such letter would be liable under or by virtue of this Warrant, every such letter shall be forwarded, charged with the amount of the difference between the sum paid for postage thereon and the rate of postage payable thereon under or by virtue of this Warrant, as an unpaid letter, after deducting the amount of postage so paid thereon as aforesaid.

4. Nothing herein contained shall be deemed or construed to extend to any letters passing by the post between the United Kingdom and Mecklenburgh Schwerin, viâ France, nor to any letters passing by the post between the United Kingdom

and Mecklenburgh Schwerin, viâ Belgium, sent otherwise than in Prussian closed mails, nor to any letters posted in or addressed to any part of Mecklenburgh Schwerin, and transmitted by the post between any part of Mecklenburgh Schwerin or any of Her Majesty's Colonies, or any Foreign Country, through the United Kingdom, nor to any letters transmitted between any Foreign Country through any part of Mecklenburgh Schwerin and the United Kingdom, nor to any letters transmitted between any Foreign Country through any part of Mecklenburgh Schwerin and any of Her Majesty's Colonies, or any Foreign Country through the United Kingdom, and conveyed between the United Kingdom and Belgium by packet-boat, all which said respective letters shall be charged and chargeable with the same rates of postage as are now chargeable and payable thereon, and as if this present Warrant had not been made.

5. The terms and expressions used in this Warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the said recited Warrant of the 19th day of July 1852.

6. This Warrant shall come into operation on the first day of May 1862.

7. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands duly made, at any time hereafter alter, repeal, or revoke any of the rates of postage hereby altered, or the regulations hereby made, and may make and establish any new or other rates or regulations in lieu thereof, and from time to time appoint at what time the rates which may be payable are to be paid.
