- Two pints of barley-broth must contain—first, 4 oz. of barley, or 3 oz. of barley and 1 oz. of pease; second, 2 oz. of marrow-bones or ox-head, or 1 oz. of hough or neck, or 1 oz. of some other meat, or $\frac{1}{2}$ oz. of dripping or suet; and, third, a proper quantity of onions, leeks, carrots, turnips, cabbages, or other vegetables. The oatmeal gruel, when made in quantities exceeding 50 pints, to contain 1 $\frac{1}{2}$ oz. of oatmeal per pint, and 2 oz. per pint when made in less quantities. The gruel on alternate days to be sweetened with $\frac{3}{4}$ oz. of molasses or sugar, and seasoned with salt.
- Half a pint of tea must contain $\frac{1}{2}$ oz. of tea, $\frac{1}{2}$ oz. of sugar, and 1 oz. of milk.
- An equal quantity of potato-soup, or pease-soup, or barley-milk, may (with the limitations hereafter specified) be substituted for the barley-broth. Two pints of potato-soup must contain 1 lb. of potatoes (instead of 4 oz. of barley), with the same ingredients in other respects as two pints of barley-broth. Two pints of pease-soup must contain 4 $\frac{1}{2}$ oz. of pease, the other ingredients being the same as in the barley-broth and potato-soup, except that the quantity of vegetables may be smaller by about one-half. Two pints of barley-milk must contain 4 oz. of barley (boiled in water till it is soft, and the water partly boiled away), with $\frac{1}{2}$ pint of good skimmed sweet milk and a little salt; the rest of the quantity being made up with water.
- Fish and barley-broth may be substituted the one for the other, at the rate of 6 oz. of fish for 1 pint of broth.
- Barley-bannocks, or bread made of wheat and oatmeal mixed, may be substituted for wheaten-bread on one day of each week, and oat-cake on another day; the oat-cake to be of the same weight as the wheaten bread, but the barley-bannock must contain a weight of *meal* equal to the weight of wheaten-bread, making the bannock itself somewhat heavier. The wheaten-bread may be made of second flour or over-heads.
- Potatoes, whether in their ordinary form or made into soup, must not be given for dinner more than twice each week; but they may be given for supper as often as may be convenient, provided that they be not given on the days on which the prisoners have potatoes or potato-soup for dinner.
- Either fresh skimmed-milk, or butter-milk, may be used.
- Salt must be given with each meal.
- Especial care must be taken to preserve the potatoes, so that they shall not vegetate or

- be injured in any way. No potatoes must be used unless they are quite sound; and it is recommended that, as a general rule, potatoes be not used from the end of April until the ensuing autumn.
10. If, from any unforeseen emergency, milk should not be obtainable, there may be substituted for it a like quantity of treacle water, at the rate of $1\frac{1}{2}$ oz. treacle to a pint of water; but when this substitute is used, there must be added to the dietary, in the proper table, 6 oz. of ox-heads in the broth or soup, or 4 oz. of cheese.
 11. A change of food being beneficial to health, it is directed that the dinner, on at least two days in the week, shall be different from the dinner on the other days.
 12. In weighing or measuring the food, the imperial weights and measures must always be used.
 13. Potatoes and other vegetables must be weighed after they are washed, but before they are cooked. Meat must also be weighed before being cooked.
 14. The hours of meal throughout the year shall be as follows:—Breakfast at $\frac{1}{2}$ past 7 in the morning, dinner at 1 in the afternoon, and supper at 7 in the evening.

15. In the evening, work should cease a quarter of an hour before supper time; and no prisoner should be required to work after supper unless he has neglected to perform his stated quantity in the ordinary working hours.
16. The eating and drinking vessels in which the food is distributed should not be collected till half an hour after the prisoners have received them, at breakfast and supper, and till 40 minutes after, at dinner.

X.

The Resident Medical Officer of any Prison shall have power to make any variations, in particular cases, from the foregoing dietaries, which he may deem necessary, always, however, recording the same in writing.

Powers and
Duty of Sur-
geon as to
Dietaries.

I hereby certify my approval of the foregoing Rules for the Dietaries of the Prisons in Scotland, in terms of Section 9 of "The Prisons (Scotland) Administration Act, 1860."

Army a due number of Men who have completed their first period of service.

And for the better discovery of the truth in the premises, We do, by these presents, give and grant unto you, or any three or more of you, full power and authority to make such inquiry as aforesaid, either in London or at the Recruiting Depots, or other places of the United Kingdom, as to your judgments may seem best, and in the manner which you may deem most expedient, and to call before you, or any three or more of you, such persons as you shall judge necessary, by whom you may be the better informed of the truth of the premises, and to inquire of the premises by all other lawful ways and means whatsoever.

And We do further, by these presents, give and grant unto you, or any three or more of you, full power and authority where the same shall appear to be requisite, to administer an oath or oaths to any person or persons whomsoever, to be examined before you, or any three or more of you, touching or concerning the premises.

And We do further, by these presents, give and grant unto you, or any three or more of you, full power and authority to cause all persons to bring and produce before you, or any three or more of you, all and singular records, books, papers, and other writings, touching the premises, which shall be in the custody of any of them.

And We further will and command, and by these presents ordain, that this, Our Commission, shall continue in full force and virtue, and that Our said Commissioners, or any three or more of you, shall and may, from time to time, proceed in the execution thereof, and of every matter and thing therein mentioned, although the same be not continued from time to time by adjournment.

And We do hereby command all and singular the Justices of the Peace, Sheriffs, Mayors, Bailiffs, Constables, Officers, Ministers, and all other Our loving subjects whomsoever, as well within liberties as without, to be assistant to you, and each of you, in the execution of these presents.

TREASURY WARRANT.

WHEREAS by an Act passed in the fourth year
of the reign of Her Majesty, intituled "An Act for
the regulation of the duties of postage," certain
scales of weight and rates of postage were fixed
and made chargeable and payable upon, for, and in
respect of letters, newspapers, Parliamentary pro-
ceedings, and printed papers, transmitted and
forwarded by the post, and various regulations
were made for facilitating the transmission of
such letters and papers by the post.

And whereas by an Act passed in the eleventh
year of the reign of Her Majesty, intituled "An
Act for giving further facilities for the transmis-
sion of letters by post, and for the regulating the
duties of postage thereon, and for other purposes
relating to the Post-office," it is enacted that, in
order to prevent packets of an unwieldy bulk or
an inconvenient size being transmitted by the
post, it shall be lawful for the Commissioners of
Her Majesty's Treasury, at any time or times
thereafter, by Warrant under their hands, to fix
the maximum weight of letters to be sent by the

post, and from time to time to repeal or revoke
such maximum weight, wholly or in part, and
declare any other maximum weight in lieu thereof,
and that all letters shall be forwarded, conveyed,
and delivered by the post in conformity with any
such Warrant, and also in conformity with and
under and subject to all such orders, conditions,
limitations, regulations, and restrictions, as to the
form, size, or dimensions thereof, whether in pro-
portion to the weight or otherwise, as the Post-
master-General, with the consent of the Commis-
sioners of Her Majesty's Treasury, shall from
time to time direct.

And whereas the Commissioners of Her Majesty's
Treasury have, by two certain Warrants under
their hands, bearing date respectively the 17th
day of March 1865 and the 27th day of Decem-
ber 1865, fixed and limited the dimensions of
letters and packets transmissible by the post, and
it is expedient to make such other regulation with
regard to certain of such letters and packets as is
hereinafter mentioned and contained.

Now we, the undersigned, being two of the
Commissioners of Her Majesty's Treasury, in
exercise of the powers reserved to us in and by
the said before mentioned Acts, or either of them,
and of all other powers enabling us in this behalf,
do, by this Warrant under our hands, order and
direct as follows:—

1. That notwithstanding anything in the said
recited or referred to Warrants, or in any other
Warrant or Warrants of the Commissioners of
Her Majesty's Treasury now in force, respectively
contained to the contrary, it shall be lawful for
the Postmaster-General for the time being, from
time to time, and at any time hereafter, to authorise
and allow to be forwarded and transmitted by the
post any letters or packets of any description
whatever, exceeding two feet in length or one foot
in breadth or depth, which he in his discretion
shall think fit, provided that the several other
regulations, conditions, and restrictions for the
time being in force and applicable to such letters
and packets shall be in all respects observed and
fulfilled.

2. That the term "by the post" used in this
Warrant shall be construed to have the like mean-
ing in all respects as the like term used in the
said recited Acts.

3. That this Warrant shall come into operation
on the fourteenth day of May one thousand eight
hundred and sixty-six.

4. That it shall be lawful for the Commis-
sioners for the time being of Her Majesty's Treasury,
or any two of them, by Warrant under their
hands, at any time hereafter to alter or repeal any
of the regulations hereby made, and to make and
establish any new or other regulations in lieu
thereof.
