

REGULATIONS

TO BE OBSERVED AT THE QUEEN'S LEVEE TO BE HELD BY HIS ROYAL HIGHNESS THE PRINCE OF WALES, ON BEHALF OF HER MAJESTY, AT ST JAMES'S PALACE.

By Her Majesty's Command.

The Noblemen and Gentlemen who propose to attend Her Majesty's Levee at St James's Palace, are requested to bring with them two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in attendance in the Corridor, and the other to be delivered to the Lord Chamberlain, who will announce the name to His Royal Highness.

PRESENTATIONS.

Any Nobleman or Gentleman who proposes to be presented, must leave at the Lord Chamberlain's Office, St James's Palace, *before twelve o'clock*, two clear days before the Levee, a card with his name written thereon, and with the name of the Nobleman or Gentleman by whom he is to be presented. In order to carry out the existing regulation that no presentation can be made at a Levee excepting by a person actually attending that Levee, it is also necessary that a letter from the Nobleman or Gentleman who is to make the presentation, stating it to be his intention to be present, should accompany the presentation card above referred to, which will be submitted to The Queen for Her Majesty's approbation. It is Her Majesty's command that no presentations shall be made at a Levee except in accordance with the above regulations.

It is particularly requested that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to His Royal Highness.

The State Apartments will be open for the reception of Company coming to Court at one o'clock.

BRADFORD,
Lord Chamberlain.

WHITEHALL, May 13, 1867.

The Queen has been pleased to appoint Hugh Seymour Tremenheere, Esq., and Edward Carleton Tufnell, Esq., to be Her Majesty's Commissioners to inquire into and report on the employment of children, young persons, and women in agriculture, for the purpose of ascertaining to what extent and with what modifications the principles of the Factory Acts can be adopted for the regulation of such employment, and especially with a view to the better education of such children.
