PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by "The Naturalization Act, 1870," it is enacted that, where Her Majesty has entered into a Convention with any Foreign State, to the effect that the subjects or citizens of that State who have been naturalized as British subjects may divest themselves of their status as such subjects, it shall be lawful for Her Majesty, by Order in Council, to declare that such Convention has been entered into by Her Majesty; and from and after the date of such Order in Council, any person being originally a subject or citizen of the State referred to in such Order, who has been naturalized as a British subject, may, within such limit of time as may be provided in the Convention, make a declaration of alienage; and from and after the date of his so making such declaration, such person shall be regarded as an alien, and as a subject of the State to which he originally belonged as aforesaid. Convention. Now, therefore, Her Majesty, by and with the advice of Her Privy Council, doth hereby declare that Her Majesty has entered into a Convention with the said United States of America, to the effect that the subjects or citizens of those States who have been naturalized as British subjects may divest themselves of their status as such subjects.
