

DOWNING STREET—June 2.

A letter, of which the following is a copy, having been humbly submitted to his Majesty by the under-mentioned officers, who served in the detachment of his Majesty's fifteenth regiment of light dragoons in the action of Villers en Couche, near Cambay, on the 24th day of April 1794, his Majesty has been graciously pleased to grant to each of them his Royal licence and permission to accept the rank of Knight of the Imperial Military Order of Maria Theresa, and bear the insignia thereof; the same having been conferred upon them by the Emperor of Germany, in testimony of the high sense which his Imperial Majesty entertained of their distinguished conduct upon that occasion.

Major William Aylett, now Lieutenant-Colonel in the army.

Captain Robert Pocklington, late Major of 15th dragoons.

Captain Edward Michael Ryan, now Major in the army.

Lieutenant Thomas Granby Calcraft, Lieutenant Colonel of 3d dragoon guards.

Lieutenant William Keir, Major of the 6th dragoon guards.

Lieutenant Charles Burrell Blount, late Captain of 15th light dragoons.

Cornet Edward Gerald Butler, now Major of 87th regiment of foot.

Cornet Robert Thomas Wilfon, now Major in Hompefch's regiment of mounted riflemen.

Copy of a Letter from his Excellency Lord Minto, his Majesty's Envoy Extraordinary and Plenipotentiary at the Court of Vienna, to Lieutenant Colonel WILLIAM AYLETT.

SIR, Vienna, November 7, 1800.

I have received from his Excellency Baron Thugut eight Crosses of the Order of Maria Theresa, which the Emperor has been pleased to confer on yourself and seven other officers undernamed, of the 15th regiment of light dragoons, who distinguished themselves in a most gallant action, near Villers en Couche, on the 24th of April 1794.

His Imperial Majesty had already testified the high sense he entertained of the brilliant and important service which the regiment performed on that occasion, by presenting the officers engaged with a medal; struck for the purpose of commemorating that distinguished action, and affording to those who achieved it a lasting testimony of his approbation and gratitude. It was deemed at the time worthy of the Cross of Maria Theresa; but at that period, a doubt was entertained, whether this order could be conferred on foreigners; that difficulty being now removed, his Imperial Majesty avails himself with pleasure of the occasion to evince his high esteem for the regiment, as well as his

regard for the individuals, by investing with this distinguished Order of Merit Gentlemen who have proved themselves so worthy to wear it.

In transmitting to you, Sir, these Crosses, to be distributed to the officers for whom they are destined, I cannot omit the opportunity of expressing the satisfaction I have experienced from the share which my situation here has afforded me in a transaction which, while it does honour to the liberality of his Imperial Majesty, and throws so much lustre on the corps, and on those who are immediately concerned, reflects, at the same time, credit on the country to which they belong.

I have the honour to be, Sir,

Your obedient, humble Servant,

To Lieutenant Colonel Aylett. MINTO.
