Whereas We have deemed it expedient, for divers good causes and considerations, that a Commission should forthwith issue to make inquiry with regard to the alleged unseaworthiness of British registered ships, whether arising from over-

loading, deck-loading, defective construction, condition, form, equipment or machinery, age, or improper stowage, also to inquire into the present system of marine insurance, the state of the law as to the liability of shipowners for injury to those whom they employ, and the alleged practice of under manning ships, and to suggest any amendments in the law which might remedy or lessen such evils as may be found to have arisen from the matters aforesaid.

Now know ye, that We, reposing great trust and confidence in your ability and discretion, have nominated, constituted, and appointed, and do by these presents nominate, constitute, and appoint you, the said Edward Adolphus, Duke of Somerset, Alfred Ernest Albert, Duke of Edinburgh, Henry George Liddell, Thomas Milner Gibson, Sir James Hope, Henry Cadogan Rothery, Arthur Cohen, Thomas Brassey, Peter Denny, George Duncan, Edward Dover Edgell, and Charles Watkins Merrifield, to be Our Commissioners for the purposes of the said inquiry.

And for the better enabling you to carry Our Royal intentions into effect, We do by these presents authorize and empower you, or any five or more of you, to call before you, or any five or more of you, such persons as you may judge necessary, by whom you may be the better informed of the matters herein submitted for your consideration, and every matter connected therewith, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And also to call for and examine all such books, documents, papers, or records as you shall judge likely to afford you the fullest information on the subject of this Our Commission, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And we do further, by these presents, authorize and empower you, or any five or more of you, to visit and personally inspect such places in Our United Kingdom as you may deem expedient for the more effectual carrying out of the purposes aforesaid, and to employ such persons as you may

think fit to assist you in conducting any inquiry which you may hold.

And Our further will and pleasure is that you, or any five or more of you, do first report to Us, under your hands and seals (with as little delay as may be consistent with a due discharge of the duties hereby imposed upon you), with regard to overloading, and in the next place, that you, or any five or more of you, do, in the like manner, report to Us with regard to the unseaworthiness of ships arising from deck-loading, defective construction, condition, form, equipment, or machinery, age, or improper stowage.

And lastly, in the like manner, you, or any five or more of you, do report to Us upon the other matters referred to you as aforesaid, and that you may have power to certify unto Us from time to time your several proceedings in respect of any of the matters aforesaid, if it may seem expedient for you so to do.

And We do further will and command, and by

these presents ordain, that this Our Commission shall continue in full force and virtue, and that you, Our said Commissioners, or any five or more of you, shall and may from time to time proceed in the execution thereof, and of every matter and thing therein contained, although the same be not continued from time to time by adjournment.

And for your assistance in the execution of these presents, We do hereby authorize and empower you to appoint a Secretary to this, Our Commission, to attend you, whose services and assistance We require you to use from time to time as occasion may require.

Given at Our Court at St. James's the twenty-ninth day of March one thousand eight hundred and seventy-three, in the thirty-sixth year of Our reign.
