September 19, 1878.

The Civil Service Commissioners hereby give notice, that the following General Regulations respecting Open Competitive Examinations for such Situations in the Civil Service as are included in Schedule A of the Order in Council of 4th June 1870, have been approved by the Lords Commissioners of Her Majesty's Treasury, in amendment of those, dated 8th April 1872, and published in the London Gazette of the 9th April 1872.

GENERAL REGULATIONS, framed by the Civil Service Commissioners, and approved by the Commissioners of Her Majesty's Treasury, respecting Open Competitive Examinations for Situations in the Civil Service, included in Schedule A of the Order in Council of 4th June 1870.

*N.B.*—These Regulations are liable to alteration at any time.

1. Competitive examinations of candidates for

situations in the different public departments will be held at such times and at such places as may be deemed expedient. Before every such examination Special Regulations will be issued, in which the particular conditions of the competition will be specified.

2. At each examination the number of candidates selected will (unless otherwise stated in Special Regulations) be that which is necessary to fill the situations which may have been reported to the Civil Service Commissioners as vacant up to the date at which the result of the examination is declared.

3. These examinations are open, under such general restrictions as may be laid down, to all natural-born subjects of Her Majesty, being of the requisite age, health, and character. The undermentioned restrictions are at present in force:—

- (i.) Persons actually serving in the Army and Navy are ineligible.
- (ii.) The following classes of persons are eligible under certain conditions only, that is to say:—
  - (a.) Persons holding situations in the Civil Service.
  - (b.) Members of the Royal Irish Constabulary, of less than 12 years' service.
  - (c.) Apprentices and Engineer Students in Her Majesty's Dockyards.
  - (d.) Persons who have been trained in Normal Schools at public expense.

Persons comprised in the classes (a), (b), (c), must have produced to the Civil Service Commissioners, at least one week before the date of the competition, the written permission of the authorities of their department to attend the examination.

Persons comprised in class (d) will not be qualified to receive appointments until the consent of the Committee of Council on Education, Great Britain, or the Commissioners of National Education, Ireland, as the case may be, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners.

4. In reckoning age for competition the following allowances are made, viz. (1) members of the Military and Naval services (whether commissioned or non-commissioned) may deduct from their actual age any time during which they have served; (2) persons who have served for two full consecutive years (a) in any Civil situation to which they were admitted with the Certificate of the Civil Service Commissioners, (b) in the Royal Irish Constabulary, or (c) as Registered Copyists in connection with the Civil Service, may deduct from their actual age any time not exceeding five years which they may have spent in such service.

5. If at any examination two or more situations, whether in the same or in different departments, shall be offered for competition, the successful candidates will be permitted (unless otherwise stated in Special Regulations) to choose in their order as determined by the competitive examination among the situations offered for competition; provided that they be duly qualified according to the special rules prescribed, under Clause IV. of Her Majesty's Order in Council of 4th June 1870,

for the particular situations to which they may severally be assigned. If there be a vacant situation for which no one of the selected candidates is duly qualified, the Civil Service Commissioners may offer it to the highest candidate on the list whom they may deem duly qualified, or to the candidate highest at the time on the list of selected candidates, subject to his passing a qualifying examination within such period as they may determine; or they may reserve it to be filled by means of a subsequent open competition, or otherwise, as they may see fit, in accordance with the Order in Council of 4th June 1870.
