Whitehall, 29th October 1884.

✦ RAGS FROM FRANCE AND ITALY.

To all the Local Authorities in Scotland within whose District there is a Port or Harbour, in terms of 'The Public Health (Scotland) Act, 1867.'

Whereas by the Act 30 and 31 Vict. c. 101, Part III, for the Prevention and Mitigation of Diseases, under Order in Council, and by the

31st section of the said Act, it is enacted, that 'Whenever any part of the United Kingdom appears to be threatened with or is affected by any formidable epidemic, endemic, or contagious disease, the Lords and others of Her Majesty's Most Honourable Privy Council, or any three or more of them (the Lord President of the Council, or one of Her Majesty's Principal Secretaries of State, being one), may, by Order or Orders by them from time to time made, direct that the Provisions for the prevention of diseases contained in Part III. hereof be put in force in Scotland, or in such parts thereof, or in such places therein, as in such Order or Orders may be expressed, and may from time to time, as to all or any of the parts or places to which any such Order or Orders extend, and in like manner revoke or renew any such Order.'

And by an Order of Her Majesty's Most Honourable Privy Council, bearing date the 25th day of July 1884, it is ordered, that 'Whereas the United Kingdom appears to be threatened with a certain epidemic disease, that is to say, the Asiatic Cholera; and whereas it is expedient to make provision thereanent:

'Now, therefore, in exercise of the powers conferred upon them by the above recited section of the said recited Act, the Lords of the Council do order, and it is hereby ordered, that the provisions for the prevention of diseases, contained in Part III. of the Act 30th and 31st Victoria, chapter 101, be put in force in Scotland for the space of six calendar months after the publication of this Order in the Edinburgh Gazette.'

And whereas by the 33d Section of the said Act it is further provided, that when such an Order in Council has been issued, the Board of Supervision for Relief of the Poor in Scotland may issue such Directions and Regulations as they shall think fit for the prevention, as far as possible, or mitigation of such epidemic, endemic, or contagious diseases, and from time to time may revoke, renew, and alter any such Directions and Regulations; and the same shall extend to all Parts or Places in which the Provisions of this Act for the prevention and mitigation of disease shall, for the time being, be put in force under such Orders as aforesaid, unless such Directions and Regulations be expressly confined to some of such Parts or Places, and then to such Parts or Places as therein are specified; and (subject to the power of revocation and alteration herein contained) such Directions and Regulations shall continue in force so long as the said Provisions of this Act shall under such Order be applicable to the same Parts or Places.'

And whereas by the 38th Section of the said Act it is provided that 'All Orders of Council for executing this Act shall extend to Ports and Arms of the Sea lying within the jurisdiction of the Admiralty, and adjacent to the Places to which such Orders relate; and the Board may issue, under the said Orders, Directions and Regulations for cleansing, purifying, ventilating, and disinfecting, and preventing disease in Ships and Vessels, as well upon Arms and Ports of the Sea aforesaid as upon Inland Waters.'

And whereas Cholera is now prevalent in certain parts of France and Italy, and it is expedient that Rules and Regulations should be made with refer-

ence to Ships having on board bales of Rags from these countries.

And whereas the Directions and Regulations with reference to such Ships made by us on 11th August and 5th September last, expire on the 1st day of November.

Therefore, in exercise of the Authority vested in us as aforesaid, we, the Board of Supervision for the Relief of the Poor and for Public Health in Scotland, do issue the Directions and Regulations hereinafter contained, to extend to all Places in Scotland, and to all Ports and Arms of the Sea lying within the jurisdiction of the Admiralty, and adjacent to such Places:—
