The Commissioners will, in terms of the Twenty-fourth Section of said Act, receive and consider any objection made to them in writing by any public body or persons interested respecting such Scheme, and any amendments proposed thereon, provided that the same be delivered

G. R. GILLESPIE,
Secretary to Commissioners.

46 George Street, Edinburgh,
27th December 1887.

Scheme, under the Educational Endowments (Scotland) Act, 1882, for the Administration of the Endowments in the Parish of Kirkbean and County of Kirkcudbright, known as the Marshall Endowment, at present held and administered under a Deed of Donation by Andrew Marshall, Merchant in Glasgow, dated 1st June 1781, and Testament by the said Andrew Marshall, dated 5th September 1783, and recorded in the Burgh Court Books at Glasgow, on 2nd February 1785, which Endowment is held and administered along with a Bequest by the Rev. Thomas Grierson, sometime Minister of the Parish, and a Bequest or Donation by William M'Kune, Netherwood, in or about the year 1846; the said Grierson and M'Kune Endowment; and the Mortification to the Parish School, amounting to a capital sum of £608, and now held and administered by the School Board of the said Parish.

Preamble.

1. Transference of Property and Administration to New Governing Body.—From and after the date of this Scheme the said Endowments shall be amalgamated, and the whole rights, funds, and estates, heritable and moveable, belonging thereto or vested in the present governing bodies thereof, shall be transferred to and vested in the School Board of the parish of Kirkbean, in so far as not already so transferred and vested, without the necessity of any new conveyance or instrument, and the whole of such Endowment shall be held and administered by them under the conditions and provisions of this Scheme, and the said School Board shall be the governing body of the Endowment.

2. Discharge of Present Governing Body.—The present trustees of the Endowments, not at present held and administered by the said Board, shall transfer and make over to the clerk, treasurer, or other proper officer of the School Board, who shall after the date of this Scheme act as officer of the governing body of the Endowment, all cash balances, books, deeds, and papers to which they have rights as trustees foresaid. On such payment or transference the governing body shall discharge such lawful debts of the Endowments as may remain unpaid by the said trustees, and shall, after satisfactory examination and audit of their accounts, grant them a discharge for their intromissions with the funds of the Endowment.

3-8. Business Arrangements; Power of Sale and Investment; Casual Profits; Accounts; Audit; Vested Interests.

9. Free Scholarships.—The governors, after

paying the necessary expenses of management and the burdens and taxes affecting the Endowment, may apply a sum not exceeding £15 yearly in paying, in whole or in part as they may think fit, the fees of scholars, with books and stationery; at public or State-aided schools in the parish of Kirkbean, for elementary education as defined in the Educational Endowments (Scotland) Act, 1882. The free scholars shall be children whose parents or guardians, not being in receipt of parochial relief, are in such circumstances as to require aid for providing elementary education, and are persons who, in the opinion of the governors, ought not to be required to apply to the Parochial Board for such aid.

In the case of children under ten years of age, the selection of free scholars shall be made with due regard to merit, as ascertained by such examination, suited to the age of the candidates, as the governors may from time to time prescribe; or in the case of children for whom such examination is unsuitable, by evidence that the children possess such qualifications as to justify their selection; and in the case of children who have been in attendance at school during one or more school years, the governors shall, in making their selection, give special weight to good conduct, attendance, and progress at school during the previous year. The fees in respect of children under ten years of age shall not be paid for more than one school year without re-appointment, and the amount to be expended in paying fees for such children shall not exceed one-third of the amount to be applied under this section.

In the case of children of ten years of age and upwards, the free scholars shall be selected by competitive examinations, which shall be open to all of the same age who are eligible in terms hereof, whether they have or have not previously been beneficiaries; and for such children the school fees may continue to be paid for such period, not exceeding three years, as the governors may determine. If any scholar gain a school bursary, his school fees shall no longer be paid under this section.

The governors at the end of every school year shall obtain from the teacher or teachers a special report as to the conduct, regularity of attendance, and progress of all scholars whose school fees are paid in whole or in part under this section, and the fees of no scholar shall continue to be paid in regard to whom such report is not satisfactory.

10. School Bursaries.—The governors shall apply an annual sum of £10 in establishing school bursaries, to be called the Marshall School Bursaries, each of the yearly value of not less than £3 and not more than £5. These bursaries shall be awarded by competitive examination among pupils attending public or State-aided schools in the parish of Kirkbean, who have passed the fifth standard of the present Scotch Code, or such standard as may from time to time be fixed by the Scotch Education Department, pursuant to the Education (Scotland) Acts, as that entitling children to total exemption from the obligation to attend school, and whose parents or guardians are in such circumstances as to require aid for giving them higher education; these bursaries shall be tenable for two years at public or State-aided schools in which efficient instruction is given in the higher branches.

11. Grant to School Board for Promoting Higher Instruction.—The governing body shall apply the

residue of their free annual income for the promotion of higher instruction by increasing the efficiency of the staff for the higher classes in the public school of Kirkbean, either by adding to their number or otherwise as may be determined, but no part of such annual sum shall be applied in relief of any expenditure which the School Board might reasonably be expected to incur out of the school fund, and the said School Board shall be bound, as a condition of receiving the said sum, to give education gratis to all the children in the said school, who have passed in the fifth standard of the Scotch Code; provided that if it appear to the Scotch Education Department, on such information and after such inquiry as they may deem necessary, that the said annual sum is not being efficiently applied in manner foresaid, they shall have power to require the governing body to apply it to the purposes of the immediately succeeding section, until they have satisfied the Department that they are prepared to comply with the conditions under which the said annual sum is directed to be applied under this section.

12. Bursaries for Higher or Technical Education in the event of Stoppage of Payment to School Board.—In the event of the governing body receiving a requisition from the Department under the provisions of the immediately preceding section, they shall apply the said annual sum in establishing bursaries for higher education, to be called the M'Kune Bursaries, each of the yearly value of not less than £15 nor more than £20. These bursaries shall be awarded by competitive examination among pupils attending public or State-aided schools in the parish of Kirkbean, under such conditions and regulations as to age or otherwise as the governing body may determine; they shall be tenable for such period, not exceeding three years, as the governing body may determine, at such schools for higher education or technical instruction as they may approve. In the event of the Department permitting the said sum to be again applied under the provisions of the immediately preceding section, the governing body shall, in the first place, make payment of any bursaries already awarded under this section.

14–16. Power to apply to Court of Session for Alteration; Power to make Regulations. Scheme to be Printed.
