TWO Tinctures of known and established Reputation, which have been long successfully used by the Nobility and Gentry, both of this Kingdom and of Ireland, and for which His Majesty has been pleased to grant His Royal Letters Patent, are sold by the Patentee, THO. The Tincture for Preserving the Teeth, cleanses and takes off all their Foulness, renders them white and beautiful, tastes such as are loose, prevents their Decaying, and entirely cures the Scurvy in the Gums.

The Tincture for the Tooth-ach removes the most raging and violent Pain in a few Minutes, without either corroding the Teeth or affecting the Gums.

The great Demand for these Tinctures having induced several Persons to attempt to counterfeit the same, (some of whom are now under Prosecution) the Publick are desired to observe, that for the Future the Patentee will inscribe his Name on a Label on each Bottle, in the following Manner, T. GRENOUGH, and not a bit what are so inscribed are genuine.

DR. JAMES's Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms. But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and later Fevers, which are generally mistaken for Vapours and Hysterics; it is extremely effectual in the Small Pox, Measles, and St. Anthony's Fire; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, London; and by J. Hoey, jun. in Skinner Row, Dublin; at 2s. 6d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

\* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Places above-mentioned. Price 6d.
