Account of the good Effects of Dr. James's Powders, in an Extract of a Letter from the Rev. Mr. George Burton, of Eldon, near Thetford, in Norfolk.

SIR,

I Can safely assert, that Dr JAMES'S Powders have several Times been the happy Means of saving both my Family and myself (under the Blessing of Providence) from the destructive Ravages of a Fever, and therefore in Justice I send you this Testimony of my Regard for it.

I have already administered above Thirty Doses of those Powders, and they have never failed in any one Instance. They have done many surprizing Cures; and I cannot omit the following Instance of the safety, as well as the Excellence of them. A Man was seized with a Fever in my Parish (the apparent Wretchedness of whose Circumstances equalled the Misery of his Disorder, for he was surrounded by a Wife and seven Children, who entirely depended on his Labour for Support, and who, in a fit of Despair, had just performed, as they supposed, the last friendly Act, by laying him on his Side in order to die easy:) In this Situation, I gave him seven Grains of Dr. James's Powder, which, by a few Repeitions of that Quantity, in some Days perfectly restored him to Health. He is now alive and as hearty as ever. Many Instances I have met with wherein the Powders have operated much, but removed the Cause; many again in which they have been attended with no sensible Operation, yet perfected the Cure.

As I have, from an experimental Knowledge of the Powders, the Success of them at Heart, as a Friend to Mankind in general, and to my Country in particular, I send you this, to be made use of as you think proper.

I am, Sir,

Your sincere Friend and humble Servant,

George Burton.

After what this Gentleman has said, it may not be amiss to inform our Readers that Dr. James's Powders are sold only by Mr. Newbery, at the Bible and Sun in St. Paul's Church Yard, London; and by those whom he has appointed to sell them, under his Hand and Seal, in Great Britain, Ireland, and the Colonies Abroad.
