JACKSON'S TINCTURE,

By the KING'S Royal Patent.

THE universal Reputation my Tincture has so justly acquired, and the happy Success that has so many Years attended it, proves it, beyond Contradiction, to be a most efficacious and safe Family Medicine in the following Disorders, viz. Rheumatism, Gravel, Stone, Cholic, Wind, and griping of the Bowels, Consumption, Coughs, Asthmas, and all Disorders of the Lungs, Spitting Blood, and in the Piles; and is infallible in Disorders of the Fair Sex either young or old, (it is far superior to any Medicine extant;) Burns, Scalds, Cuts, Bruises or Swellings of any Sort, especially White-swellings, it cures to Admiration, and affords present Relief in Bruises, Strains, Cramps, Numbness, and all Manner of paralytic Disorders; old Ulcers or Humours, though of ever so long standing, it presently overcomes by an inward Application. No sooner is the Reputation of a Medicine established, but numberless are its Imitators, to detect which, my genuine Tincture hath on the Top of the Bottles my Coat of Arms, and on the Directions the Names of JACKSON and SON, Price One Shilling the Bottle, sold only at my Elaboratory and Medicinal Warehouse in Fleet Market, London.

DR. JAMES'S Powder for FEVERS, the Small Pox, Measles, Pleurisy, Quinsies, acute Rheumatism, Colds, and all inflammatory Disorders, as well as for those which are called Nervous, Hypochondriac, and Hysteric, Price 2s. 6d. the Paper; with good Allowance to those who buy it for charitable Uses, or to sell again.

* * Experience having taught, that this Medicine, which is a safe and certain Cure for the above Disorders, is better prepared for Sea Service (and more convenient) in Bottles, than made up as usual in Marble Paper, the Commissioners, who have the Direction of the Medicines employed in the Navy, have ordered this Powder to be so preferred for the Use of all His Majesty's Ships of War; and a large Quantity is also made up in the same Manner for Merchants and Captains of Trading Ships, as well as for those who are any way concerned in Voyages, or the Sea Service.

This Medicine is sold only by J. Newbery, at the Bible and Sun in St. Paul's Church Yard, and by those who are empowered by him to sell it in the several Towns of Great Britain, Ireland, and the Colonies.

Of whom may be had,

Dr. James's Mild Powder for the Disorders above-mentioned, which is prepared from the same Materials as the other Powder, but so contrived as to have little or no sensible Operation, and upon that Account is the more proper for Women under certain Circumstances, Infants, and those whose Constitutions are extremely delicate. And it is more than probable that this Powder, by taking off the Acrimony, will prevent Pitting in the Small Pox, Price 2s. 6d.

To all Traders, Artificers, Mariners, and Ship Carpenters, whether Natives of Great Britain and Ireland, or Foreigners..

WHEREAS the Port of Stornoway, in the Island of Lewes, on the North West Coast of Scotland, is most commodiously situated for Trade to all Parts of America, as well as to all the Ports in Europe, particularly to the Northern and Eastern Countries.

This Port and Harbour is well known to be one of the best in Europe, where Ships, of any Burden, may anchor with the greatest Safety, at all Seasons.

There is a Fishery of all Kinds round the Island; particularly Cod, Ling, Herring, and Turbot; so that the Fishery, in its different Branches, may be carried on there at all Seasons in the Year.

The Island abounds with great Plenty of Provisions, Beef, Mutton, Poultry, and Garden Stuff, besides Venison and Wild Fowl in the Season; and Ships may be supplied at very moderate Rates.

There is a Post Office, and a regular Packet weekly to and from the main Land, Distance fifteen Leagues.

There is a Custom House established for the Convenience of Trade and the Fishery, so that Ships may clear out and proceed directly upon their Voyages, according as their Cargoes are completed, and may there deposit their surplus Bond Salt, according to Act of Parliament.

There is an annual Allowance from the Publick for the Encouragement and Introduction of Manufacturers of Flax and Hemp into the Island; which is forthwith to be carried into Execution.

There is also an established School for teaching the Languages, Writing, Book-keeping, and Mathematicks.

These are therefore to give Notice,
