THE following Address of the Governor, Council, and Assembly of the Bermuda, or Somer Islands, having been transmitted to the Right Honourable the Earl of Hillsborough, one of His Majesty's Principal Secretaries of State, has by him been presented to His Majesty: Which Address His Majesty was pleased to receive very graciously.

To the King's most Sacred Majesty,

The humble Address of the Governor, Council, and Assembly of the Bermuda, or Somer Islands, in America.

May it please your Majesty,

WE your Majesty's most dutiful and loyal Subjects, the Governor, Council, and Assembly of these your Majesty's Bermuda, or Somer Islands, truly sensible of that paternal Disposition to your Subjects, so particularly supported by your Majesty, beg Leave to approach your Sacred Person to express our grateful Sense of your Majesty's Attention to the Welfare of these Islands, in causing us to be redressed for our Sufferings from the French Depredations at Turks Islands; and, at the same Time, to express our unfeigned Thanks to your Majesty for the late Mark of your Royal Favour, testified by the Supply of Cannon and Ordnance Stores sent to these Islands.

That your Majesty's Reign may be long and glorious; and that there never may be wanting one of your Royal Progeny to fill the British Throne, are the hearty Prayers of,

May it please your Majesty,

Your Majesty's most dutiful and loyal Subjects.

By Order of the House,

Cornelius Hinson, Speaker.

*Leon White, President
in Council.*

*George Ja. Bruere,
Governor.*

The following Addresses of the President and Council, and of the Assembly of the Island of Tobago, having been transmitted to the Right Honourable the Earl of Hillsborough, one of His Majesty's Principal Secretaries of State, have by him been presented to His Majesty: Which Addresses His Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty,

The humble Address of the President and Council of the Island of Tobago.

May it please your Majesty,

WE your Majesty's most dutiful and loyal Subjects, the President and Council of

the Island of Tobago, beg Leave with profound Humility to declare our inviolable Attachment to your Majesty's Sacred Person and Government, and to your illustrious Family.

Penetrated with the deepest Gratitude for the Blessings we enjoy under your Majesty's mild and most auspicious Reign, and for the bountiful Instance of your Royal Indulgence, in granting to us, by your Governor in Chief, a Completion of Legislature, so essentially necessary for the Good and Welfare of this Colony; permit us to hope it may not be unpleasing to our most gracious Sovereign, that amidst the Difficulties, Dangers and Distresses constantly attending the Establishment of new Settlements in this Climate, His Subjects in Tobago entertain the warmest Expectations of seeing their Efforts crowned with Success, and that this fertile Island will soon become of considerable Importance to the Commerce and Navigation of the British Empire.

The Security of Property by the Protection we derive from your Majesty's Troops stationed in this Island; the uncommon Assiduity, Disinterestedness, and truly Patriotic Zeal, exerted at all Times by your Majesty's Governor in Chief, for the Encouragement and Support of early Settlers, have been happily instrumental in promoting the quick Progress which Cultivation has lately made here, and have proven strong Incentives to our Steadiness and Perseverance.

Confident that your Majesty's gracious Protection will ever co extend to the most remote Parts of your Dominions, with the same paternal Care and tender Regard which so conspicuously distinguish your illustrious Reign; it shall be our incessant Study, as well by Example as by Precept, to inculcate amongst our Fellow-Subjects the most loyal and dutiful Sentiments towards your Majesty, and towards our Mother-Country, to promote Industry, Peace and Harmony throughout the Colony, and, by every Means within the Compass of our Abilities, strive to merit the Approbation of the best of Kings.

That God may long preserve your Majesty a Blessing to your Realms, and bestow upon you, upon our most gracious Queen, and upon your Royal Family, every Degree of human Felicity, shall be our constant Prayer:

Rob. Stewart, President.

Council-Chamber, Tobago,

To the Kings's most Excellent Majesty,
The humble Address of the Assembly of
Tobago.

May it please your Majesty,
WE your Majesty's most dutiful and loyal
Subjects, the Assembly of Tobago,
with Hearts full of the warmest Sentiments of
Gratitude and Attachment, beg Leave to em-
brace the earliest Opportunity of presenting your
Majesty our most humble and sincere Thanks for
the many distinguished Marks of your Royal Fa-
vour conferred on the Inhabitants of this Infant
Colony; and particularly for graciously bestow-
ing on us a complete Legislature, the greatest
Boast and Happiness of your Majesty's Subjects.
Animated by the numberless Examples of your
Majesty's paternal Love and Tenderness for the
most distant of your People, we, on our Parts,
shall be ever ready to testify and acknowledge
the Blessings we owe to your Protection, and in-
variably pursue those Measures that will be most
acceptable to your Majesty, by encouraging the
Settlement of this fine Island, promoting Har-
mony and Industry among ourselves, the strictest
Obedience to your Majesty's Government, and
the most perfect Love and Attachment to our
Mother Country.

We cannot conclude without making our
grateful Acknowledgments to your Majesty for
your Wisdom and Goodness in the Choice of a
Governor in Chief, whose Conduct has been in-
fluenced by no other Motives but the Happiness
and Prosperity of the People committed to his
Charge; and the full Confidence we entertain
of your fatherly Care still presiding over us,
will ever engage our Prayers to Divine Provi-
dence, that your Majesty may long continue to
reign in the Hearts of your faithful People, and
that you may ever experience the happy Re-
wards your Majesty's distinguished Virtues so
eminently merit.

General Post-Office, September 6, 1768.

His Majesty's Postmaster General having been pleased to establish a sufficient Number of Packet-Boats to sail between Falmouth and New York, Charles Town, and the West-India Islands, to support a regular Monthly Correspondence to and from these Kingdoms and all Parts of His Majesty's extensive Dominions in America.

PUBLIC NOTICE is hereby given, that the several Mails for America, upon this New Arrangement, are to be made up at this Office on Wednesday the 5th of October next, and will continue to be dispatched from hence in the same Manner upon the first Wednesday in every Month.

The Mail for New York will contain the Letters for all the Provinces on the Continent of America, from Virginia Northwards. That for Charles Town will include the Letters for North and South Carolina, Georgia, and East Florida. The Letters for Pensacola and all Parts of West Florida will be forwarded from Jamaica by every Opportunity. The Mail for the West Indies will contain the Letters for Barbadoes, all the Leeward Islands, and Jamaica, from whence the Packet-Boats are, instead of proceeding to Pensacola, to return immediately to Falmouth.

Upon the Arrival of these several Mails from hence at Falmouth, the Packet-Boats are to proceed with them to Sea immediately, Wind and Weather permitting; but if they should be unavoidably detained one or more Days, such Letters as come hither, or may be put into this Office, will be sent every Tuesday, Thursday, and Saturday to Falmouth, for the Chance of the Packets under Sailing Orders, and if sailed, they will be forwarded by the next Boat in Turn.

Great Inconveniences having arisen to the Public by returning Letters for the Postage; Their Lordships, for the Accommodation of Correspondence, leave it now to the Option of the Writer to pay or not beforehand to any Part of His Majesty's Dominions either in Europe or America, except to Gibraltar or Port Mahon.

All Persons however are particularly to take Notice, that Letters and Packets from any Part of Great Britain, Ireland, or America, for all Places beyond the Seas are in His Majesty's Dominions, are to pay at the Office where they are put in, the full Post to London, besides the Foreign Rates they may be chargeable with, to prevent the Necessity of their being opened and returned for the Postage.

By Command of the Postmaster General,
Anth. Todd, Secretary.

A Table of the Rates of Postage, and a List of the Places to which there is an Every-Day Post, will be given to any Person who may apply for them to the Chamber-Keeper here.
