THE Purging Ball contain, in a small Compas, all the essential Qualities of a Stomachic Purge; they do not cloy a Horse's Stomach as most other Purges do, but, without the least Grieving, scour a Horse well, and make him stifle plentifully. Horses, after being badly or irregularly fed or coming from Grass into a Stable, are apt, on Change of Diet, to have Humours flying about them, which settling on the Lungs, Legs, or Blood-Vessels, cause either an obstinate Cough, Grease, or Farcy, which might be prevented by a few Doses of Physic, and therefore highly necessary for Horses newly purchased. Price 2 s. each Parcel containing three Doses.

DIURETIC BALLS, which effectually cure the Grease by a urinary Discharge; and are likewise very efficacious in carrying off those sharp Humours in the Blood, which frequently abound in Horses, and are distinguished not only by the Grease, but also in the Eyes and on the Skin; which these Balls, by promoting a due Secretion of the Juices, will remove and render the Coat beautiful. Price 2 s. per Pot.

Fletcher and Hodson, Printers in Cambridge, who are duly authorized to receive the same; and the said Thomas Evans hopes he shall not give Offence by hinting, that all Debts remaining unpaid after the before-mentioned Period, will be put into an Attorney's Hands to be recovered at Law.
