Published by Authority.

From Tuesday September 24, to Saturday September 28, 1771.

AT the Court at *St. James's*, the 25th Day of September, 1771,

P R E S E N T,

The KING's most Excellent Majesty in Council.

HIS Majesty in Council was this Day pleased to Order, that the Parliament, which stands prorogued to Tuesday the First Day of October next, should be further prorogued to Tuesday the Twenty-sixth Day of November following.

Stockholm, September 10. The Empress of Russia has allowed a certain Quantity of Corn, Duty free, to be exported from her Dominions, as formerly, into Sweden. This is the greater Obligation at present, as the Harvest has been very bad in most of the Provinces of this Kingdom; and the Price of Bread is very high at present: Indeed the Dearness of every Thing at Stockholm is such already, as does not afford a good Prospect for the Winter, when no Supplies can be had from Abroad.

Vienna, September 14. The Emperor arrived here on Thursday in perfect Health. Yesterday there was a Drawing-Room at Schonbrun in Grand Gala, on Account of the joyful News received from Florence of the Great Dutchess's happy Delivery of a Prince.

This Day was published,
