St. James's, December 9.

THE following Address of the High Sheriff, Gentlemen, Clergy, and Freeholders of the County Palatine of Lancaster, has been presented to His Majesty by Sir Watts Horton, Bart. the High Sheriff; accompanied by the Right Honourable Lord Stanley, and Sir Thomas Egerton, Bart. the Representatives in Parliament of the said County, being introduced by the Lord of His Majesty's Bed-Chamber in Waiting: Which Address His Majesty was pleased to receive very graciously.

To the KING's most Excellent Majesty,

The humble Address of the High Sheriff, Gentlemen, Clergy, and Freeholders of the County Palatine of Lancaster.

Most Gracious Sovereign,

WE, your Majesty's faithful and loyal Subjects, the High Sheriff, Gentlemen, Clergy, and Freeholders of the County Palatine of Lancaster, humbly beg Leave to approach the Throne with all the Sentiments of Veneration and Attachment due to the Father of His People.

Deeply impressed ourselves with a grateful Sense of the Blessings derived from your Majesty's truly paternal Government, the Spirit of which has been ever directed by the most sacred Attention to the Happiness and Liberty of your People, we cannot, without Astonishment and Horror, behold a great Part of our American Fellow-Subjects so regardless of these Blessings, and ungrateful to the Fountain from whence they flow, as to violate, in the most hostile and daring Manner, every Principle of legal Authority and just Subordination.

From the whole Tenor of your Majesty's mild and auspicious Reign, as well as the gracious Assurances which have proceeded from the Throne, we are fully convinced, that nothing on your Majesty's Part has been wanting to remedy the Disorders, by Methods consistent with the Honor of this Country, and the Felicity of its several Members.

That these deluded People still persist in their rebellious Opposition to the Constitutional Authority of these Realms, must be imputed to the unwarrantable and criminal Intentions of those who have usurped the Rights of Sovereignty amongst them; Intentions, which the most vigorous Exertions may be required to defeat.

To your Majesty, and the only rightful Legislative Body of these Dominions, we cheerfully confide the arduous Task of restoring Order and Tranquillity, by every Means which brave and loyal Subjects can put into your Hands; and we implore the Divine Assistance on your Councils and Exertions.

For our Parts, happy in expressing to your Majesty the Duty, Gratitude, and Affection to your Royal Person and Family, which animate this Populous, Commercial, and Manufacturing County, we desire thus publicly to testify our determined Resolution to support, (by every Assistance in our Power) such Measures as your Majesty and the Parliament shall think it necessary to adopt for the Suppression of these daring and licentious Attacks upon the Peace of your Majesty's Government, the Vigor of the Laws, and the Dignity of the Constitution.
