By the KING,

A PROCLAMATION,

For a General Fast.

GEORGE R.

WE, taking into Our most serious Consideration the just and necessary Measures of Force which We are obliged to use against Our Rebellious Subjects in Our Colonies and Provinces in North America; and putting Our Trust in Almighty God, that He will vouchsafe a special Blessing on Our Arms, both by Sea and Land, have resolved, and do, by and with the Advice of Our Privy Council, hereby command, That a Publick Fast and Humiliation be observed throughout that Part of Our Kingdom of Great Britain called England, Our Dominion of Wales, and Town of Berwick upon Tweed, upon Friday the Twenty-seventh Day of February next; that so both We and Our People may humble Ourselves before Almighty God, in order to obtain Pardon of Our Sins; and may, in the most devout and solemn Manner, send up Our Prayers and Supplications to the Divine Majesty, for averting those heavy Judgments, which Our manifold Sins and Provocations have most justly deserved, and for imploring His Intervention and Blessing, speedily to deliver Our loyal Subjects; within Our Colonies and Provinces in North America, from the Violence, Injustice and Tyranny of those daring Rebels, who have assumed to themselves the Exercise of Arbitrary Power; to open the Eyes of those who have been deluded by specious Falsehoods into Acts of Treason and Rebellion; to turn the Hearts of the Authors of these Calamities; and finally to restore Our People in those distracted Provinces and Colonies to the happy Condition of being Free Subjects of a Free State, under which heretofore they flourished so long and prospered so much: And We do strictly charge and command, That the said Publick Fast be reverently and devoutly observed by all Our loving Subjects in England, Our Dominion of Wales, and Town of Berwick upon Tweed, as they tender the Favour of Almighty God, and would avoid His Wrath and Indignation; and upon Pain of such Punishment as We may justly inflict on all such as contemn and neglect the Performance of so religious a Duty. And for the better and more orderly solemnizing the same, We have given Directions to the Most Reverend the Archbishops and the Right Reverend the Bishops of England, to compose a Form of Prayer suitable to this Occasion, to be used in all Churches, Chapels, and Places of Publick Worship; and to take Care the same be timely dispersed throughout their respective Dioceses.

Given at Our Court at St. James's, the Twenty-third Day of January, One thousand seven hundred and seventy-eight, in the Eighteenth Year of Our Reign.

To the Virtuosi in Gems.

A MATCHLESS SPECIMEN.

JONAS Cockerton, late of the Poultry, London^r Cutler and Dealer in curious Stones, deceased, having left particular Directions to his Executors, respecting the Disposal of his curious Onyx Stone, (the Sword Handle) they, in Pursuance thereof, do publish the following Description, taken from the Print which he caused to be engraved therefrom; and request the Curious to observe, that, although the Description may appear somewhat singular, yet it may be truly asserted, that, of the very great Number of the Virtuosi who have had the Opportunity of viewing the Stone, no one hesitated to pronounce it the most perfect and unimaginary Production of the Kind in Nature ever exhibited, which was more fully verified by the considerable Offers made from Time to Time for the Purchase of it;

Sacred Truths attested from the Miraculous Onyx Stone.

Representing, on one Side, Moses receiving the Law on the Top of Mount Sinai in Horeb, covered with Tempest, thick Smoke and Darknes; the Heavenly Dove descending in the Cloud, with terrible Thunders and the fearful Voice of the Trumpet; the Stream of pure Water issuing from the Rock at the Foot of the Mount, where the People drank and washed their Clothes the preceding Days, according to the Command of the Lord: On the other Side, the Glorious Ascension of our Lord and Saviour Jesus Christ, wrapt in a sable Mantle, taken from off Mount Olivet by the same Dove, which with Wings of Silver covered with Feathers of yellow Gold is bearing Him up to the Clouds, leading Captivity captive, as appears by the infernal Powers daring to interpose. Leviathan the piercing Serpent hissing, the Mouth of Hell belching Flame, which the Dove divides, repelling the Point of the Flame; the Serpent driven back, and chained to a distant Cloud.

In the Stone the Drawings and Keeping are true and distinct, the Sky and all the Colours so full, soft, and warm, as to exceed the Touch of the finest Pencil, and Belief till seen. It being intirely the Work of Nature, is by good Judges esteemed the most peculiar Gem in the World, not to be equalled for Beauties, Rarity and Perfection, by any Jewel in the Possession of the greatest Virtuoso, nor in the choicest Cabinet or Museum on Earth.

It remains now to inform the Public, that the said Stone will be put up to Sale by Auction, by Mess. Langford, at their House under the Great Piazza, Covent-garden, the Beginning of March next, of which further Notice will be given. It is now in the Possession of Adey Bellamy, Nephew, late Partner, and Successor to Jonas Cockerton, in the Poultry aforesaid, where further Particulars may be had, and Tickets to see the Stone gratis, as also the Prints of it, with English and French Descriptions. Tickets to see the Stone may also be had of Mess. Langford.
