Whereas, in and by a Resolution of the House of Commons of this Kingdom, of the 6th Day of June, 1778, for raising the Sum of 300,000 l. upon one or more Tontine or Tontines, Scheme or Schemes of Life Annuities, it is, amongst other Things, resolved, that the Lives for which such Annuities were to be granted, should be nominated within such Time or Times before the 29th Day of September, 1779, as the Lord Lieutenant, or any other Chief Governor or Governors of this Kingdom for the Time being, shall publicly declare and appoint. And whereas we did, by our Order, bearing Date the 8th Day of the said Month of June, 1778, amongst other Things, declare and appoint, that all and every Subscriber or Subscribers, or the Assignee or Assignees of such Subscriber or Subscribers, having completed the Payment of the Sum or Sums subscribed by him, her or them, according to and within the several and respective Times limited and appointed by our said Order, should, on or before the 1st Day of September, 1779, name or cause to be named, in the Manner mentioned in the Act of the 15th and 16th Years of His present Majesty, entitled, "An Act for granting Annuities in the Manner therein provided to such Persons as shall voluntarily subscribe towards the raising a Sum not exceeding 175,000 l." such Person or Persons as he, she, or they should think proper to be the Person or Persons for and during whose Life or Lives the Annuity or Annuities with Benefit of Survivorship, as in the said Order is set forth, should be respectively paid. And whereas the Deputy Vice Treasurer of this Kingdom hath represented unto us, that although the several Subscribers to the said Sum of 300,000 l. did complete their Payments within the Times appointed for that Purpose, yet many of them have omitted to name the Person or Persons for whose Life or Lives the said Annuities with Benefit of Survivorship are to be paid; and having suggested to us, that there is great Reason to suppose some of the said Persons have misunderstood our said Order, and have apprehended, that they might name their Lives at any Time before the 29th Day of this instant September, and that others of them living Abroad, in Parts distant from this Kingdom, may have been by the Circumstances of the Times, or otherwise by some unavoidable Accident, prevented from naming their Lives, and transmitting their Nominations, with proper Affidavits, by the said First Day of this instant September; and we taking the same into our Consideration, and being desirous, as far as we are authorized and empowered by the said Resolution of the House of Commons, to afford the said Subscribers Relief, and in order to answer and carry into Execution the honourable and just Intentions of the said House of Commons, do hereby, so far as we are authorized and im-

powered thereto, further declare and appoint, that all and every such Subscriber or Subscribers, or the Assignee or Assignees of such Subscriber or Subscribers, shall be admitted on or before the 28th Day of September instant, to name or cause to be named, in the Manner mentioned in the said Act of the 15th and 16th Years of His present Majesty, such Person or Persons as he, she, or they shall think proper to be the Person or Persons for and during whose Life or Lives the said Annuity or Annuities, with the said Benefit of Survivorship, shall be respectively paid. And the Vice Treasurer or Vice Treasurers, his or their Deputy or Deputies, or other Person or Persons to whom it belongs to receive such Nominations; is or are hereby directed to receive the same accordingly.

Given at His Majesty's Castle of Dublin, the 6th of September, 1779.
