AT the Court at *St. James's*, the 19th of *November*, 1779,

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS His Majesty was pleased, by His Order in Council of the 24th of September last, to direct, that no Person or Persons whosoever should, at any Time during the Space of Two Months, to commence from the Date of the said Order, presume to transport out of this Kingdom, or carry Coastwise, any Plates of Copper, or ship or lade any Plates of Copper on Board any Ship or Vessel, in order to transporting the same beyond the Seas, or carry the same Coastwise, without Leave or Permission in that Behalf first obtained from His Majesty or His Privy Council. And whereas His Majesty was pleased, by another Order in Council, bearing Date the 7th of October, to permit and allow, under certain Provisoos and Conditions, the carrying of Copper Coastwise from Port to Port, and also the Exportation thereof to Foreign Parts, and all other Places to which the same might have been lawfully exported at the Time of making the above-recited Order (except to any of the Ports belonging to France or Spain). And whereas upon the humble Memorial of the Smelters and Manufacturers of Copper in Great Britain, the Provisoos and Conditions of the said last-mentioned Order have been varied, and other Rules and Regulations have been established in Lieu thereof. And whereas the Time limited by His Majesty's Order in Council of the 24th of September, for prohibiting the Exportation or carrying of Copper Coastwise, will expire on the 24th of this instant November, and it is judged expedient that the said Prohibition should be continued for some Time longer, so as that the Exportation or carrying of Copper Coastwise may continue to be restrained, under the Rules and Regulations above-recited to have been established in that Behalf.—His Majesty is thereupon pleased, by and with the Advice of His Privy Council, to order, that the said Prohibition be continued for Three Months, to commence from the said 24th Day of this instant November; but it is His Majesty's Pleasure that the same shall not be taken to extend to any Sort of Copper, to be Exported or sent Coastwise for His Majesty's Service, by Order and under the Directions or Licence of the Commissioners of the Navy, nor to prevent the transporting or carrying Coastwise of any Sort of Copper (except Sheets of Copper of and under the Weight of Two and an Half Pounds to the Foot Superficial) without any Security being required; nor to the exporting the same to any Parts beyond the Sea, to which it may lawfully be exported (except to any of the Ports belonging to France or Spain) upon Condition that all such Copper as is intended for Exportation shall be inspected and examined by an Agent or Agents, appointed or to be appointed by the Commissioners of His Majesty's Navy, and that a Certificate, under the Hand and Seal of the said Agent or Agents, shall be first had and obtained, setting forth, that no Part of the same consists of Plates of Copper, or Sheets of Copper (except as hereinafter excepted) or Nails made in whole or in Part of Copper, which can be made Use of for the Purpose of sheathing and copping Ships or Vessels; which Certificate from the said Agent shall be delivered to the proper Officers of the Customs at the Port in which the said
