gave Chace, it being then light Breezes. After different Manœuvres, and the strange Ship making some private Signals through the Day, at Six in the Evening we got pretty near, when she hoisted Spa-nish Ensign and Pendant. At Half past Six we fired some Shot, which was immediately returned; and continued closing, with a constant Fire on both Sides, till past Eight o'Clock, when her Main-Mast went over-board, and she surrendered. Her Mizen-Mast also went during the Night.

She proved to be the Saint Carlos, of 50 Guns, 38 Twelve-pounders, 16 of which are Brass, 12 Six pounders, and Three Hundred and Ninetyfeven Men; a private Ship of War, commanded by Don Juan Antonio Zaveleta, from Cadiz, bound to Port Omoa, having on board 12 Twenty-four-pounders Brass Cannon, a Quantity of Shot and Shells, Five Thousand Stand of Arms, &c.

The Sloop made off in the Night In the Action there were four Men killed on board the Salisbury, and fourteen wounded, five of which died of their Wounds; Mr. Miller the Master much wounded, but is in a fair Way of Reco-

very.
The Salisbury suffered much in her Sails and Rigging, which was immediately fet about repairing; as also in putting the Prize into as good a State of Sailing and Defence as Circumstances would admit of, under the Command of Lieutenant Haynes,

First Lieutenant of the Salisbury.

Since that Time we have been beating up for Jamaica, which we have attained with fome Trouble; and have the Pleasure to inform you, that, throughout, this Service has been carried on with a proper and spirited Exertion of both Officers and Ship's Company. I am, Sir,

Your most obedient humble Servant, - CHARLES INGLIS.

Sir Peter Parker, Knt. Vice-Admiral of the · Blue, Gc. Gc.
