The FOURTH EDITION of
AN ESSAY on the
VIRTUES of Dr. NORRIS'S DROPS:

TO WHICH ARE ADDED,

Many Letters and Cases, voluntarily addressed by the Parties to Dr. NORRIS, and at their Request now published, incontestably proving the unequalled Efficacy of this Medicine in curing EVERY Species of

Putrid, Inflammatory, or Malignant FEVER,

with the greatest Ease and Safety, even when the Disorder has baffled the Efforts of the most eminent of the Faculty and every other Means that Science could devise, have been referred to in vain.

EXPERIENCE in an extensive Practice for a long Series of Years, in which the Efficacy of this Medicine has been proved in many Thousand Cases establishes it as the safest Remedy yet discovered for every Kind of Fever;—such is its specific Quality, that by reconciling Nature to herself, the Danger is removed in a few Hours, and, to the Astonishment of those present, the Cure is effected without the least Violence in Operation, or tumultuous Anxiety to the Patient, and consequently it is one of the long-winded Remedies in Physic.

THE SPECIES of FEVER commonly, although erroneously termed NERVOUS, the Reproach of Physic, certainly yields in a short Time to the Power of these Drops; Perpiration, gentle yet continual, the sure and certain Attendant of Health, is induced,—the Circulation of the Fluids through the minutest Vessels is encouraged,—and the Train of vain Fears, sleepless Nights, and insupportable Anxiety incident to Nervous Cases, give Place to Serenity and Cheerfulness; Nature is enabled throw off that which oppresses her, and the Patient is blessed with renovated Health and Spirits.—These are the happy Effects of this noble Medicine, when taken as an Alterative.

HECTIC CASES, the first Stage of a CONSUMPTION, and to which so many of our Youth are devoted, are ever attended with a Fever; a Tea-spoonful, two, or three of these Drops, in half a Pint of Asles or Cow's Milk, taken Morning and Evening, remove the Cause, invigorate the Frame, and restore the Patient, even in advanced Stages, when the most alarming Symptoms appear.

COUGHS and RHEUMATIC COMPLAINTS are relieved and cured by this Medicine, promoting and supporting insensible Perpiration, from the Obstruction whereof innumerable Disorders arise.

In the SCURVY, by sweetning the Blood, and enabling it to throw off those acrid Salts, the Basis of the Disorder, they effect a Cure, and prevent a Return.

In LOWNESS of SPIRITS, in SICKNESS of the STOMACH, INDIGESTION, and particularly in all BILIOUS DISORDERS, and obstinate COSTIVENESS, from the too frequent Use of Cathartics, and in Pains of the Stomach and Bowels, there is not their Equal for Efficacy and Safety.

In the NATURAL INFIRMITIES of advanced Life, particularly in old obstinate COUGHS, and ASTHMATIC AFFECTIONS, this Medicine will be found most salubrious, restoring the balsamic Qualities of the Blood and enabling Nature to resist the Attacks of those Disorders; where tough Phlegm abounds, and is with great Difficulty discharged, they facilitate Expectoration in an amazing Degree.

In DISORDERS incident to the FAIR SEX, arising from Obstructions at a certain Time of Life, there is no Medicine so deserving their Confidence, or which will restore Health with such Certainty and Ease.

FEVERS, BILIOUS COMPLAINTS, and FLUXES, the Bane of EUROPEANS in HOT CLIMATES, are cured in a few Hours, and every dangerous Symptom removed; and as this Medicine is incorruptible, and rather improves by Time, there needs no further Recommendation thereof to CAPTAINS of SHIPS, and Persons going to the INDIES and AMERICA, to make it an Article in their Store.

“When it is considered that almost every Disorder incident to human Nature derives its Origin from OBSTRUCTION “ PERSPIRATION, a VITIATED STOMACH, or FOUL- “ NNESS of the BLOOD, and that every Disease for which this “ Medicine is recommended arises from one of these Causes, the “ the Wonder why it is so efficacious in so many Complaints, “ (the same in their Source, though various in Appearance) “ must cease; and Dr. NORRIS most seriously assures the World, “ that he has in no one Instance advised this truly great MEDI- “ cine, but where a long Experience of its Effects, and the “ Cures set forth in the ESSAY upon its VIRTUES, amply “ warrant his Declaration of its Efficacy, and Recommendation “ to be afflicted.”

These Drops are sold in moulden fl t Bottles, inscribed in the Glass, “Dr. NORRIS'S Drops for Fevers,” [with full Directions] at 2s. 6d. 5s. and 10s. 6d. each, by Dr. NORRIS,
