Whitehall, July 22.

ADVICES have been received by the Fox Packet, which sailed from Bengal the 17th of February last, that Peace had been concluded with the Marattas; that Hyder Ally died in the Month of December last; and that his Successor Tippou-Saib appeared more pacifically inclined towards the English than his Father, having permitted such as were Prisoners in the Towns taken by him to have a free Communication with the Presidency at Madras, to be better supplied with Necessaries, and to have free Egress and Regress: That Mons. Suffrein, after watering his Fleet at Achin, had crossed over the Bay of Bengal to Ganjam, with Nine Sail of the Line and Two Frigates, where he captured the Coventry Frigate and the Blandford East Indiaman: That the Medea Frigate had retaken the Chacer Sloop of War, on her Way from Trincomalé with Dispatches from M. Buffly to M. Suffrein, by which it appeared, that the Rest of the French Fleet was in great Distress from a violent Dyfentery, having lost a Number of Men, and was unable to join M. Suffrein as soon as intended; and that M. Suffrein remained only a few Days on the Coast, and it was supposed had returned to Trincomalé, leaving Two Frigates to cruize from Ganjam to Ballasore Road, which had captured a Number of Vessels bound to Madras with Rice.
