P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act of Parliament passed in the last Session of Parliament, intituled, "An Act for preventing certain Instruments from being required from Ships belonging to the United States of America, and to give to His Majesty, for a limited Time, certain Powers for the better carrying on Trade and Commerce between the Subjects of His Majesty's Dominions and the Inhabitants of the said United States," it is, amongst other Things, enacted, That in any Case, where a Certificate is required to discharge any Bond entered into for the detaining Goods within the said United States, such Bond shall and may be discharged upon a Certificate under the Hands and Seals of any Officers who are or may be appointed by the said United States, or any of them, for that Purpose; and if it shall happen that there shall not be any Officer so appointed, then, and in such Case, such Bond shall and may be discharged upon a Certificate, under the Hand and Seal of any Magistrate of the said United States, or any of them, certifying that there is no such Officer at such Port or Place, and that Oath hath been made before such Magistrate, by the Master or other Person having the Charge of such Ship, that the Goods, for which such Certificate is required, were duly landed by him within the said United States. And by the said Act it is also further enacted, That, during the Continuance of the said Act, it shall and may be lawful for His Majesty in Council, by Order or Orders to be issued and published from Time to Time, to give such Directions and to make such Regulations with respect to Duties, Drawbacks or otherwise, for carrying on the Trade and Commerce between the People and Territories belonging to the Crown of Great Britain, and the People and Territories of the said United States, as to His Majesty in Council shall appear most expedient and salutary, any Law, Usage or Custom to the contrary notwithstanding. And whereas by an Act passed in the Twelfth Year of King Charles the Second, commonly called the Act of Navigation, and several other Acts made in this Kingdom, certain Enumerated Articles are not to be carried from any British Colony or Plantation in America, unless to some other British Colony or Plantation, or to this Kingdom, and upon the sailing of every Ship from this Kingdom, or from any such British Colony or Plantation, Bond and Security is required to be taken for the carrying such Enumerated Goods, according to the Directions of the said Acts. And whereas by an Order in Council, dated the 2d of July last, it was judged expedient to permit that Rum, Sugar, Melasses, Coffee, Cocoa Nut, Ginger, and Pimento,
