FOR THE AFFLICTED.

ORIENTAL VEGETABLE CORDIAL.

“ One of the most valuable Medicinal Discoveries which Time and even Philosophy could ever boast of, peculiarly efficacious in relieving bilious and other Complaints of the Stomach and Bowels, so very prevalent, and which often proves fatal before Assistance can be procured.”

THIS Salutory Cordial is pleasing in Appearance, agreeable to the Palate, and will keep in Perfection a Hundred Years;—to elucidate its Virtues and Effects in an Advertisement would be unnecessary: Universal Experience for Twenty-five Years has established its Reputation and Pre-eminence on the positive Testimony of Thousands. It gives immediate Relief to those afflicted with excruciating Pain in the Bowels, and by a little Perseverance in its Use totally removes the Complaint. In languid and nervous Debility it cherishes the animal Spirits and gives permanent Vigour to the System. In Complaints of the Stomach it has its unparalleled Virtues, by creating a good Appetite, accelerating the Process of Digestion, correcting Crudities, and speedily removing the Cholick, Spasms, and Flatulence. The Rheumatism has given Way to its Powers, and in Attacks of the Gout it has freed the Patients in Twelve Hours, after every Effort of the Faculty has been tried in vain.

The Cordial is perfectly innocent, it is administered for the Complaints of young Children daily, and taken by Persons of the most delicate Constitutions.

Sold by Mr. Cornwell, No. 13, Conduit-street, Hanover-square, London, in Bottles of 5s. and 10s. 6d. each, or the Quantity of Six for 1l. 3s. 3d. It is also sold by Mr. Randall, Royal Exchange.

The Effects of this Cordial are further illustrated in a Treatise, Price 6d. interspersed with a Variety of select Cases of Cure, &c.

§§ Allowances are made as usual for Exportation.

ALL Persons having Claims or Demands upon the Owners of the Ship or Vessel called the Two Brothers, are desired forthwith to transmit an Account of their respective Demands to Mr. John Crisp, or Mr. Thomas Almond, both of Sunderland, the Assignees of Thomas Wetherell; or to Mr. William Row, of Newcastle upon Tyne.

January 4, 1789.

IF Thomas Cropper (who, in the Year 1769, lived as a menial Servant with the late Counsellor Lucas, deceased, in London, but some Time afterwards quitted that Service and went to live with the then Bishop of Landaff, now Bishop of Salisbury, and was in the Bishop's Service about Seventeen or Eighteen Years ago, and afterwards quitted that Service, and, it is presumed, went to live with one Mr. Gilbert; stayed with him about one Year, then quitted that Service, got married, and, it is imagined, began some Business in or about London) is living, and resides in or near London, he is requested to apply to Mr. James Hodgson, Attorney at Law, Chancery-lane, London, and he will be gratified for his Trouble; and if in the Country he is desired by Letter to signify the Place of his Abode to the said Mr. Hodgson; and if dead if any Person will give Information by Letter where and when he died to the said Mr. Hodgson, it will be esteemed as a particular Favour.
