

To the KING's Most Excellent Majesty,

Most Gracious Sovereign,

WE, your Majesty's most dutiful and loyal Subjects, the Bailiffs and Burgeses of Scarborough, in the County of York, in Common Council assembled, beg Leave to approach your Royal Person with Hearts full of Gratitude to the Divine Being, for mercifully restoring your Majesty to the ardent Prayers of your afflicted People; and humbly to present our unfeigned Congratulations on that most happy and gracious Occasion.

Impressed with the most loyal and affectionate Zeal and Attachment to your Majesty's Person, gratefully sensible of your tender Concern for the Happiness of your People, and of the numerous Blessings of your mild and equitable Government, we ardently pray the gracious Providence of the Almighty, to guard and preserve you, to grant you a full and continued Enjoyment of the inestimable Blessing of Health, and to enable you to reign with Wisdom and Piety, for a long Succession of Years, over a dutiful, loyal and happy People.

Given under our Common Seal, the 3d Day of March, in the Twenty-ninth Year of your Majesty's Reign.

[*Delivered by the Earl of Tyrconnel and George Oxbaldiston, Esq; Representatives in Parliament for that Borough.*]

To the KING's Most Excellent Majesty,

The humble Address of the Mayor, Recorder, Aldermen, Capital Burgeses and Common Council of the Town of Lancaster, in Council assembled.

May it please your Majesty,

WITH heartfelt Satisfaction, and the deepest Sense of Gratitude for the Divine Mercies lately vouchsafed to these Kingdoms, we, the Mayor, Recorder, Aldermen, Capital Burgeses and Common Council of the Town of Lancaster, beg Leave to congratulate your Majesty upon your Recovery from your late dangerous Illness.

The Preservation of your Majesty's just Rights, and the steady Adherence to the true Principles of the Constitution, during the long and melancholy Suspence the Nation was in, between Hope and Fear, for the Restoration of your Majesty's Health, are entirely owing to the spirited Exertions and consummate Wisdom of your Majesty's Ministers, aided and supported by the great Council of the Nation.

The universal Despondency shewn on your Majesty's Account, however grievous it may have been, is yet the Means of enabling your Majesty to know, beyond a Possibility of Doubt, how much you have reigned in the Hearts of your People; and that you are beloved by every good Subject in a Manner unexampled in former Ages, and will, we trust, be an incontestible Proof to future Times, and future Princes, that a due Observance of the Laws and the Rights of the Subject will be the only true Title to the unbounded Love and unshaken Fidelity of a free and loyal People.

That the King of Kings may long, very long, continue your Majesty in perfect Health, a Blessing to this Nation, is the ardent Wish of us your Majesty's most dutiful, most loyal, and most loving Subjects.

Given under the Common Seal of the Town of Lancaster this 12th Day of March, 1789.
