**ORIENTAL VEGETABLE CORDIAL.**

Extract of a Letter from Northampton; Oct. 1, 1790.

**M**RS. BRAY, of Northampton, had a Cough upon her almost Seven Years, which was attended with a Swelling in her Stomach, Shortness of Breath; a violent Pain in her Side, and Loss of Appetite. The Cough was so violent sometimes, that the Blood gushed out of her Nose, particularly when first lying down in her Bed, where she usually coughed for Three or Four Hours together without Intermission: This reduced her to so emaciated a State, that she could hardly go up Stairs without Help; the Truth of which many Persons can testify. By taking only Four large Bottles of the Cordial, she is happily restored to perfect Health.

**NOTE.**

The singular Effects of this Cordial in the Course of Seven Years since its Introduction into these Kingdoms have been progressively beneficial, and are now become universally so; it is the most pleasant and safe Stomachic ever produced, is taken by Numbers of the Nobility and Persons of all Ranks in Life, from Infancy to old Age.

In Bilious Disorders, violent Pain or Spasm of the Stomach or Bowels, Sickness, Vomiting, Flatulence, Crudities and Acidity, Faintings, Lowness of Spirits, Hysterical Affections, and in Rheumatic and Gouty Complaints. Recently it has been found effectual in the most dangerous Cough, relieving the Patient from a Life of Misery and Wretchedness, occasioned by a Debility of the digestive Organs.

\* \* \* It is sold by the Patentee B. Cornwell, No. 13, Conduit-street, Hanover-square, London, in Bottles of 10 s. 6 s. and 5 s. each, or the Quantity of Six 5 s. Bottles in one, for 1 l. 3 s. 3 d. with a Treatise, illustrated with a Variety of interesting and important Cases, generously communicated by those Patients who have happily experienced its unequalled Utility.

N. B. All positive Orders for Exportation, or from Merchants or Country Dealers, will be faithfully executed with the usual Allowances.
