Yesterday having been appointed for the Celebration of Her Majesty's Birth-Day, there was a numerous and splendid Appearance of the Nobility and other Persons of Distinction to compliment his Excellency the Lord Lieutenant, before whom an Ode set to Music was performed. At Three o'Clock the Great Guns at the Salute Battery in His Majesty's Park the Phoenix were fired Three Rounds, and answered by Volleys from the Regiments in Garrison, which were drawn up in the Royal Square at the Barracks. In the Evening a Play was given by his Excellency to the Ladies; and at Night there were Bonfires, Illuminations, and other Demonstrations of Joy throughout the City.

THE Persons whose Names are thereunto subscribed, being intituled to vote in the Election of Members to serve in Parliament for the Borough and County of the Town of Poole, having this Day presented their Petition to the House of Commons, setting forth, that the Petitioners observe, by the Votes of the House, that the Select Committee, appointed on the Tenth Day of February, One thousand seven hundred and ninety-one, to try and determine the Merits of the Petition of Michael Angelo Taylor, Esquire, and Robert Kingmill, Esquire, and also of the Petition of the Honourable George Gordon, commonly called Lord Haddo, and the Right Honourable Basil William Douglas, commonly called Lord Daer, and also of the Petition of the several Persons whose Names are thereunto subscribed, being Inhabitants and Householders, and also paying Scot and bearing Lot, within the Borough and County of the Town of Poole, on Behalf of themselves and others, in like Manner Inhabitants and Householders within the said Borough and Town of Poole; and also of the Petition of the several Persons whose Names are thereunto subscribed, Burgesses of the Town and County of the Town of Poole, and intituled to vote in the Election of Burgesses to serve in Parliament for the said Town and County, severally complaining of an undue Election and Return for the said Town and County of the Town of Poole,

did, on the Twenty-fifth Day of the said Month of February, report to the House, That it appeared to the said Select Committee, that the Merits of the Petitions did in Part depend upon the Right of Election. The Parties were therefore required to deliver in Statements in Writing of the Right of Election for which they respectively contended. That, in consequence thereof, the Petitioners Lord Haddo and Lord Daer delivered in a Statement as follows: "The Inhabitants, Householders within the Borough and County of the Town of Poole, paying Scot and bearing Lot, are, as such, Part of the Corporate Body of the said Borough, and are legal Voters for the Two Members to serve in Parliament for the same." That the Petitioners Michael Angelo Taylor and Robert Kingmill, Esquires, delivered in a Statement as follows: "The Right of Election for Members to serve in Parliament for the Town and County of Poole is in the Mayor and Burgesses only." That the Sitting Members, Benjamin Lester, Esquire, and the Honourable Charles Stuart, delivered in a Statement as follows: "The Sitting Members contend, that the Right of Election for Members to serve in Parliament for the Town and County of Poole is in the Mayor and Burgesses only." That upon the Statement delivered in by the Petitioners Lord Haddo and Lord Daer the said Select Committee have determined; "That the Right of Election, as set forth in the said Statement, is not the Right of Election for the said Town and County of Poole." That upon the Statements delivered in by Michael Angelo Taylor and Robert Kingmill, Esquires, and the Sitting Members, the said Select Committee have determined, "That the Right of Election for Members to serve in Parliament for the Town and County of Poole is in the Mayor and Burgesses only." That the Petitioners are advised, and humbly insist, that the Right, which hath been deemed valid in the Judgment of the said Select Committee, is not the ancient and true Right of Election for the said Borough and County, or the said Town and County of Poole: The Petitioners, therefore, most humbly pray the House that they may be admitted as Parties to oppose the Right of Election which hath been deemed valid in the Judgment of the said Select Committee, and that they may have such further and other Relief in the Premises as to the House shall seem meet, and the Nature of the Case may require. I do hereby give Notice, that the House has appointed Friday the Twentieth Day of April next, at Three of the Clock in the Afternoon, to take the said Petition into Consideration. Given under my Hand, the Twenty-fourth Day of February, One thousand seven hundred and ninety-two.

HENRY ADDINGTON, Speaker.
