HIS Majesty has been pleased to grant His Royal Letters Patent to Peter Litherland, for a Watch upon a new Principle, which, for Simplicity and Accuracy of Time-keeping, excels all others. This Watch may be made to beat only once every Second, and to point dead Seconds distinct, which proves to be of great Use in Astronomical Observations, &c. and which was never accomplished before without being so injurious to Time-keeping as to render the Watch useless.

Orders received by Litherland and Co. Liverpool, shall be duly attended to.—Public Notice will be given when and where they appoint Agents in England, Scotland and Ireland.
