

STATE LOTTERY.

Stamp-Office, Somerset-Place, Feb. 12, 1793.

HIS Majesty's Commissioners for managing the Stamp Duties think it proper, on the near Approach of the Drawing of the Lottery, to give this Publick Notice, that the following Regulations are established by this Office, for preventing ILLEGAL INSURANCE:

1st. Pursuant to a Settlement with the Committee of City Lands, no Person will be admitted at Guildhall to take down the Numbers as they are drawn but the Clerks of the licensed Lottery-Office-Keepers.

2d. The Numbers are to be taken by the said Clerks, not, as before, on separate Slips, but in the Numerical Book of each Office, signed by the respective Office-Keepers, and counter-signed by Two or more of the Commissioners of Stamps.

3d. No Account of any Part of the Drawing in each Day is to be issued, nor any of the Clerks to return with their Numerical Books, until the final Close of each Day's Drawing.

4th. By a Settlement with Mr. Steele, the Proprietor of the Patent List, the same is not to be published, as heretofore, by Slips, in each Hour, nor by an early Account of the Drawing of each Day, (both of which Communications obviously contributed to the Abuses of illegal Insurance;) but in future only Twice a Week, for the necessary Information of the Publick at large, and at such Hours as the Intelligence can be least perverted for the Abuses of unlicensed Offices, if any such shall remain. But the Commissioners trust, that, by these Regulations, and by the published Notices from the Lord Mayor and the Court of Aldermen, as well as from the Chairman and the Magistrates for Westminster and the County of Middlesex; and likewise from the Magistrates of the Police, of a perfect Co-operation with this Office, the only remaining Abuse that has attached on the State Lotteries will be as totally suppressed as the Sale of illegal Chances, which is completely at an End. The insuperable Difficulties that are now opposed to the illegal Transactions, cannot fail to discourage the Continuance of unlicensed Offices; and the Evidence of the Publick, that if any such should be continued, they must proceed without authentic Intelligence of the Drawings, cannot but prevent, to a great Degree, further Confidence being reposed in the illicit Dealers; who, on their Part, by persisting in illegal Attempts, can only expose themselves, for diminished Profits, to the increased Vigilance of the Magistracy in the effectual Maintenance of the Law.

By Order of the Commissioners,
John Brettell, Secretary.
