

Families, and Places of Residence, the Names of the Ships on board of which they respectively served; and the Wounded to particularise the Nature and State of their Wounds; the same to be attested by the Minister and Churchwardens, or by the Chief Magistrate of the Places or Parishes to which the Parties so applying respectively belong, in order that this Committee may be enabled to transmit them, free of expence, such Gratuities as they may deem expedient, without the Necessity of an Agent, or of the Parties coming up to Town; as it is probable that some of the Officers and Seamen who were wounded have been transferred over or exchanged to other Ships, and from these Causes have not yet received any Gratuity.

Resolved,

That all such Officers and Seamen do transmit to this Committee their Names, and the Names of the Ships in which they so gallantly served on that Day, together with the State of their Cases, the Number and Residence of their Families, attested by the Commanding Officer of the Ships to which they now respectively belong, that this Committee may remit to them or to their Families such Gratuities as the Committee have been enabled, by the Liberality of the Public, to grant.

Resolved,

That all Applications be made to this Committee on or before the 1st of January 1801; that only those resident in London need apply in Person to Mr. Oddy, daily, Holidays excepted, between the Hours of Eleven and One o'Clock; and all Persons resident in the Country, or who are on actual Service, be requested to make their Applications, by Post, in the Manner above described; and that no Application through Agents will be attended to.

JOHN JULIUS ANGERSTEIN, Chairman.
