

The London Gazette.

Published by Authority.

From Saturday July 24, to Tuesday July 27, 1802.

St. James's, July 27, 1802.

THE following Addresses having been presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty.

The humble Address of the Gentlemen, Clergy, and Freeholders of the County of Derby.

Most Gracious Sovereign,

WE, your Majesty's dutiful and loyal Subjects, the Gentlemen, Clergy, and Freeholders of the County of Derby, assembled at a public Meeting of the said County, beg Leave, to approach your Throne with lively Sentiments of Affection, to congratulate your Majesty on the happy Restoration of Peace.

With great Admiration and Gratitude, and with a just National Pride, we have witnessed during the late arduous and eventful Contest, the unexampled Heroism and Valour displayed in your Majesty's Fleets and Armies, and the steady and genuine Fortitude and Patriotism manifested by all Ranks of your Majesty's loyal Subjects, whereby, under the Auspices of Divine Providence, the Honor and Independence of the Kingdom have been maintained; its Religion, Laws, and Liberties preserved; the baneful Principles of Anarchy successfully resisted, and your Majesty's faithful Subjects restored to the Blessings of Peace.

Earnestly do we pray, that such Blessings may be continued to us, and that your Majesty may long reign in the Hearts and Affections of a loyal and united People.

Signed in the Name of the Meeting, by
Thos. Prinssep, Sheriff.

[Presented by *Thomas Prinssep, Esq; High Sheriff.*]

To the KING's Most Excellent Majesty.

WE, your Majesty's most dutiful and loyal Subjects, the Lieutenant-Governor, Council, Deemsters, and Keys, of your Majesty's Island of Mann, in Tynwald assembled, ever impressed with Sentiments of warmest Attachment to your Majesty's Royal Person, Family, and Government, beg Leave humbly to approach your Throne, with our most sincere Congratulations on the Establishment of public Peace.

Whilst with honest Pride and grateful Pleasure, we look back to, we venerate and admire the uniform Wisdom and Vigour of your Majesty's Councils, and the unexampled Valour and Achievements of your Fleets and Armies, during the late most arduous Contest; these, supported by the firm Patriotism and undaunted Spirit of a free, a loyal, and united People, have, under God, preserved to us, all the Blessings of our happy Constitution, in Church and State inviolate; have established the Character of the Nation on the solid Basis of true Glory, firm undeviating Honor, persevering Fortitude, and determined Courage, and are the best Security for the Duration of that Peace which the united Efforts of Wisdom and of Valour have so honourably accomplished.

With heartfelt Gratitude, we desire to unite with the Rest of our Fellow Subjects, in Prayers to the God of all Mercies, that the Blessings of Peace, may be long continued to us, and that your Majesty may long live the Father of a loyal, happy, and united People.

[Presented by the Right Honorable Lord Pelham, One of His Majesty's Principal Secretaries of State.]

To the KING.

Most Gracious Sovereign,

WE, your Majesty's most dutiful and loyal Subjects, the General Convention of the Royal Burghs of Scotland, assembled in their Annual Meeting, according to the ancient Statutes of this Realm, take the Opportunity to return your Majesty our grateful Acknowledgements for your successful Exertions in restoring to your People the Blessings of Peace.

Representing, as we do, the Commercial and Manufacturing Interests of this Part of the United Kingdom, we take a warm Concern in an Event, which, amidst the Wreck of Nations, has not only preserved entire your Majesty's Dominions and our glorious Constitution, but which, we trust, will enable us to make the most beneficial Use of those Resources, which the Wisdom and Vigour of your Majesty's Councils have carried unimpaired through the Calamities of War.

That your Majesty may long enjoy the Blessings which you have procured for us, and see your People
