Downing-Street, April 27, 1804.

A DISPATCH, of which the following is a Copy, was this Day received by the Right Honorable Lord Hobart, one of His Majesty's Principal Secretaries of State, from Captain Dickson, commanding His Majesty's Ship Inconstant:

His Majesty's Ship Inconstant, Goree,

MY LORD, Africa, 15th March 1804.

I BEG Leave to acquaint your Lordship with the Recapture of the Island of Goree, and I have the Honor to inclose you the Articles of Capitulation.

I have appointed Captain William Murray, the Senior Officer of the African Corps, Commandant of Goree, until His Majesty's Pleasure is known; and as I had not any Directions relative to the Cargo of the Eagle, Store-Ship, I took the Liberty to open the Letter addressed to Colonel Frazer, from your Lordship, and have given it to Captain Murray, and ordered him to follow, as close as possible, the Directions contained therein. The very ample supply of Stores and Provisions this Vessel appears to have brought out, and the great Strength of the Garrison at present, enables me to assure your Lordship of its perfect Security.

Mr. Charles Pickford, my First Lieutenant, an intelligent and deserving Officer, and whom I beg leave to recommend to your Lordship, will have the Honor of presenting this Letter. He will be able to inform you very fully of every Particular relative to Goree and its Dependencies.

I hope the Arrangement I have made will meet your Lordship's Approbation.

I have the Honor to be, &c.

EDW. STERLING DICKSON.

Right Honorable Lord Hobart,
