*Letter from Lord Lake to the Governor-General, dated Head Quarters, Camp before Bhurtpore, 9th March 1805.*

MY LORD,

I HAVE the Satisfaction to transmit, for your Lordship's Information, Copy of a Dispatch from Major General Smith, announcing his complete Success in an Attack on Meer Khan's Force near the Town of Ufzulghur, on the 2d Instant. The indefatigable Perseverance of Major-General Smith, in his Pursuit of the Enemy since he first crossed the Jumna, entitles that Officer to my best Thanks and Approbation; and his Mode of conducting the Attack on the 2d Instant, under Circumstances of peculiar Difficulty; and after a very long March, must ever reflect on him the highest Credit. The Cavalry appear, on this Service, to have maintained, in an eminent Degree, that high Character for Intrepidity and Discipline, which they have so successfully displayed on every former Occasion; and the Conduct of both Officers and Men has been represented to me, by Major-General Smith, as highly meritorious. Your Lordship will perceive, with much Satisfaction, that our Loss on this Occasion has not been heavy, and that the wounded Officers are likely to do well.

I have the Honor to be, &c.

(Signed) LAKE.

*To His Excellency General Lake, Commander in Chief, &c. &c. &c.*

SIR,

I HAVE the Honor to inform you, that, on our March Yesterday Morning, in Pursuit of Meer Khan, I received Intelligence that he, with his whole Force, was encamped at Ufzulghur. I left the Baggage of the Detachment at Sherkot, with the Rear Guard, and the 3d Regiment Native Cavalry, with its Galloper Guns, under the Command of Major Doveton, for its Protection, and with the Remainder of the Force under my Command, moved on to Ufzulghur. After a March of Fourteen Cofs, we came in Sight of the Enemy at Two P. M. They were drawn up in Order of Battle, and prepared to receive us. The Detachment having forded a River in the Face of the Enemy, were formed into Two Lines. The Advanced Guard, under the Command of Captain Philpot, was intended for the Protection of the Right, and the Irregular Horse, under Mr. Skinner, for the Protection of the Left Flanks. As our Army advanced, the Enemy advanced also. Two Bodies of Cavalry, one led by Meer Khan, and the other by Shuamut Khan, at-
