Navy-Office, June 25, 1810.

THE Principal Officers and Commissioners of His Majesty's Navy hereby give Notice, that a Plan of Education has been established, at the Royal Naval College at His Majesty's Dock Yard at Portsmouth, for a Superior Class of Apprentices to Shipwrights.

That the Number of Students in the Superior Class of Shipwrights' Apprentices shall, in the first Instance, be limited to Twelve, but will gradually be increased to Twenty-five. The period of Apprenticeship shall be Seven Years, but for a Student who may have previously served in the Inferior Class of Apprentices in His Majesty's Yards for the Space of Two Years, it shall be only Six Years, and only Five Years for a Student who may have previously served in the said Class for the Space of Three Years.

An Instructor in the Theory of Naval Architecture will be added to the present Establishment of the Royal Naval College, to assist particularly in the Instruction of this Class of Apprentices.

The Candidates for Admission must produce Certificates from two respectable Physicians or Surgeons that they are of sound Health and Constitution, and likewise Proof from the Register of the Parish in which they were born, of their being at least Fifteen, and not more than Seventeen Years of Age, excepting Candidates from among the Shipwrights' Apprentices of the Yard, who may be admitted if they shall not have served more than Three Years of their Time. Candidates shall be examined on the first Wednesday in November in each Year, by the Professor of the Royal Naval College, assisted by the Instructor in the Theory of Naval Architecture, in the Presence of the Commissioner of the Yard, the Lieutenant Governor of the College, and a Master Shipwright, who shall jointly report the Result of the Examination to the Lords Commissioners of the Admiralty, carefully inserting the Names of the Candidates in Succession according to their respective Merits.

The following shall be the Subjects of Examination, with which every successful Candidate must be perfectly acquainted.

- 1st. Reading English, and writing it with Facility from Dictation.
- 2d. The first Four Rules of Arithmetic, and the
