Whitehall, February 22, 1812.

WHEREAS it has been humbly represented unto His Royal Highness the Prince Regent, that on the evening of Sunday the 9th of this month, a stack of hay, the property of Thomas Cumberland, of the parish of Sheephead, in the county of Leicester, Farmer and Grazier, was nearly consumed by fire; and whereas there is strong ground for believing that the same was wilfully and maliciously set on fire by some evil-minded persons who are unknown, the said Thomas Cumberland having recently received an anonymous letter threatening to destroy his cattle;

His Royal Highness, for the better apprehending and bringing to justice the persons concerned in the above-mentioned felony, is hereby pleased, in the name and on the behalf of His Majesty, to promise His Majesty's most gracious pardon to any one of them (except the person who actually set the said haystack on fire) who shall discover his or their accomplice or accomplices therein, so that he, she, or they may be apprehended and convicted thereof.

R. RYDER.

And, as a further encouragement, a reward of ONE HUNDRED POUNDS is hereby offered to any person making such discovery as aforesaid (except as before excepted); to be paid on the conviction of any one or more of the offenders, by applying to the County Fire-Office; Southampton-Street, Strand.

THE Right Honourable the Lords Commissioners of His Majesty's Treasury having appointed money for the payment of Half-Pay to Sea Officers from the 1st July to the 31st December 1811, according to His Majesty's Establishment on that behalf, these are to give notice, that the several payments will begin to be made at the Pay-Office by the Treasurer of His Majesty's Navy, at ten o'clock in the morning, on the following days, viz.

On Tuesday the 10th and Wednesday the 11th March, to Lieutenants and their Attornies.

On Thursday the 12th March, to Masters and Surgeons and their Attornies.

After which the list will be recalled the first and third Wednesdays in every month, that all persons may then and there attend to receive what may become payable to them, and not only bring with them the affidavit required, touching their not having enjoyed the benefit of any public employment either at sea or on shore, during the time they are to be paid their Half-Pay, but also to produce certificates that they have subscribed to the Test, and taken the Oaths of Allegiance; required by Act of Parliament to His present Majesty; and in case any of the said Officers should not be able to attend themselves, but employ Attornies for that purpose, that the said Attornies do produce the like certificates and affidavits from the persons they are employed by.
