Commissary in Chief's-Office,  
February 6, 1813.

Regulations for granting Pensions to Officers of the  
Commissariat Department, losing an Eye or a  
Limb on Service.

IF an Officer of the Commissariat shall be  
wounded in action, and it shall appear upon  
an inspection made of him by the Army Medical  
Board, at any period not sooner than a year and a  
day after the time when he was wounded, that he  
has in consequence of his wound lost a limb or an  
eye, or has totally lost the use of a limb, or that  
his wound has been equally prejudicial to his habit  
of body with the loss of a limb, such Officer shall  
be entitled to a pension, commencing from the  
time when he was wounded, and depending as to  
its amount upon the rank he held at that period,  
according to the scale annexed. This pension  
being granted as a compensation for the injury  
sustained, is to be held together with any other  
pay and allowance to which such Officer may be  
otherwise entitled, without any deduction on ac-  
count thereof.

Officers who shall have lost more than one limb  
or eye, shall be entitled to the pension for each eye  
or limb so lost.

Applications for this pension are to be made to  
the Commissary in Chief, and must always be ac-

Board, if the Officer applying is at home, or by  
that of a Local Army Medical Board, or of the  
principal Medical Officer on the station where he  
may be, if the Officer should be abroad. In the  
latter case, however, the Officer must, as soon as  
he returns home, be inspected by the Army Medical  
Board, and transmit their certificate to the Com-  
missary in Chief.

All Officers of the Commissariat Department  
who may have sustained such an injury as would  
entitle them to this pension, by any wounds re-  
ceived since the commencement of hostilities in the  
year 1793, will, upon the production of the proper  
certificate from the Army Medical Board, be al-  
lowed a pension, proportioned, according to the  
scale, to the rank they held at the time when
