May 18, 1813.

WANTED for the barracks in the under-mentioned counties in South Britain, for the barracks in North Britain, and in the islands of Guernsey, Jersey, and Alderney, such quantities of

Coals and Candles

as may from time to time be required by the respective Barrack-Masters for the time being.

The deliveries to commence as soon after the 25th of June next as the respective Barrack-Masters shall require, and to continue until the 24th of June following.

Proposals for supplying coals, made separately for each county in South Britain, the whole of the barracks in North Britain, and likewise for those in the three islands of Guernsey, Jersey, and Alderney, sealed up and marked "Tender for Coals," will be received at this Office until twelve o'clock on Wednesday the 2d of June; the parties tendering observing, that in those counties where both sea and inland coals are used, the proposal must particularly express the price of each description.

Proposals for supplying candles, sealed up and marked "Tender for Candles," will be received until twelve o'clock on Friday the 4th of June; but no proposal, either for coals or candles, will be noticed, unless made on or annexed to a printed par-

ticular, and the prices inserted in words at length; nor unless a letter be subjoined to such proposal from two persons of known property, engaging to become bound with the party tendering, in the sum expressed in the particulars, for the due performance of the contract.

If tenders are sent by post, the postage must be paid.

Particulars of the contracts may be had on application at this Office, between the hours of eleven and five; to Deputy Commissary-General Lindesay, Edinburgh; Deputy Commissary-General Coope, Guernsey; and Deputy Commissary-General Low, Jersey.
