WILLIAM HOLYOAKE.

In the Gazette of Saturday last, in the advertisement of W. Gibson, an insolvent debtor in Lincoln Castle, the name, by mistake, was inserted John Gibson instead of William Gibson.

Printed by ROBERT GEORGE CLARKE, Cannon-Row, Parliament-Street.

[Price Three Shillings.]

MIDNIGHT ALONE.

It is now past midnight, and the streets of the city are silent, except for the occasional sound of a passing carriage or the distant rumble of a passing omnibus. The city is asleep, and the world seems to have stopped. The air is cool and crisp, and the stars twinkle brightly in the dark sky. The city lights are dim, and the occasional sound of a passing carriage or the distant rumble of a passing omnibus.
