Prize-Money.

Army recently under the Command of Field-Marshal His Grace the Duke of Wellington, &c.

THE personal and written applications respecting claims to prize-money for public property captured in Portugal, Spain, and France, have become so numerous as to occasion much trouble and expence; and as these enquiries are daily increasing, public notice to all concerned is given, that no grant has as yet been made for the value of the captures above alluded to; that it is quite unnecessary for the individuals interested to apply to the prize agents to have their names included, as the Heads of the respective Departments and Commanding Officers of Corps will (when the proper period arrives), be called on to render lists, including the names of all persons entitled to share; and that public notice will be given in the London Gazette, and in the newspapers in England, Scotland, and Ireland, of the time at which the payments will be made.
