GEORGE, R.

WHEREAS His Royal Highness the Prince Regent, in the name and on the behalf of His late Majesty King George the Third, was pleased by His Royal Proclamations, bearing date the first day of July and the tenth day of October in the year one thousand eight hundred and seventeen, to ordain, declare, and command, that certain pieces of gold coin therein described, called sovereigns and half sovereigns, should pass and be received as current

At the Court at Carlton-House, the 23d of February 1821,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Commissioners for discovering the Longitude at Sea, in the words following, viz.

" WHEREAS by an Act of the fifty-eighth year of His late Majesty King George the Third, intituled " An Act for more effectually discovering the Longitude at Sea, and encouraging attempts to find a Northern Passage between the Atlantic and Pacific Oceans, and to approach the Northern Pole;" and by another Act of the present session of Parliament, to amend the said Act, it is provided, that for the encouragement of persons who may attempt the said Passage, or approach to the Northern Pole, but not wholly accomplish the same; we, the Commissioners for discovering the Longitude at Sea, may by our Memorial propose to your Majesty in Council, to direct and establish proportionate rewards to be paid to such person as aforesaid, who shall first have accomplished certain proportions of the said Passage or Approach :

And whereas it appears that the progress of discovery has already advanced on the Northern Coast of North America, and within the Arctic Circle, as far as 113 degrees of West Longitude, or thereabouts, from Greenwich; but has not arrived Northward, according to any well authenticated accounts, so far as 81 degrees of North Latitude :

We, your Memorialists, beg leave most humbly to represent these particulars for your Majesty's consideration, and to submit, with all humility, whether your Majesty may not be graciously pleased to establish the following scale of rewards, to be allotted according to the intentions of the said Acts :

- To the first ship as aforesaid, that shall reach the Longitude of 150° West from Greenwich, by sailing within the Arctic Circle, a further sum of - - - £5,000

To the first ship as aforesaid, that shall reach the Pacific Ocean by a North West Passage, the further sum of - - - £10,000

2.—To the first ship as aforesaid, that shall reach to 83° of North Latitude - - - £1,000
 To 85°, a further sum of - - - £1,000
 To 87°, a further sum of - - - £1,000
 To 88°, a further sum of - - - £1,000
 To 89°, or beyond, a further sum of - - - £1,000

And if your Majesty should graciously approve these proposals, we further, with all humility, submit whether your Majesty would not be pleased, by your Order in Council, to revoke, cancel, and annul His late Majesty's Order in Council, of the nineteenth March one thousand eight hundred and nineteen, establishing the scale of rewards therein contained, for the accomplishment of certain proportions of the said Passage or Approach."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve thereof; and His Majesty doth hereby establish the scale of rewards proposed in the said Memorial.

And His Majesty is further pleased, by and with the advice aforesaid, to revoke, cancel, and annul the Order in Council of the nineteenth of March one thousand eight hundred and nineteen, establishing the scale of rewards therein contained, and the same is hereby revoked, cancelled, and annulled accordingly. *Jas.
